Executive Director & CEO Review

I feel privileged to present the 2nd Annual Report and Audited Statements of Accounts for the year 2021-22 of AIIMS Jammu. I am honoured to have been given the opportunity to be the Founder Executive Director & CEO of AIIMS Jammu.

I took over the charge as Executive Director & CEO on 19th April 2021. Prior to this from 12th April to 17th April 2021, I visited Jammu wherein, I had met the Hon'ble Lt Governor of Jammu & Kashmir, Shri Manoj Sinha and Shri Atul Dullo, Financial Commissioner (Health) UT of Jammu & Kashmir. I received institutional support and valuable guidance from them. I also visited the AIIMS Vijaypur Jammu site to assess the progress of construction, reseed various locations for identifying appropriate site for making makeshift arrangements for accommodation and teaching of students and to identify site for establishment of the Camp Office of AIIMS at Jammu.

I feel proud to share with you the events/activities associated with AIIMS Jammu during 2021-22.

Makeshift Campuses:- AIIMS Jammu:

A temporary Camp Office was established at Government Medical College, Doctor's Guest House, Maheshpura Chowk, Jammu on 07th July 2021. The first meeting of the Institute Body and constitution of Governing Body and Statutory Committees were done on 19th August 2021 and the website of AIIMS Jammu was also launched. A temporary makeshift campus was also established at

NITS, Miran Sahib, Jammu for teaching and living accommodation of undergraduate MBBS students of AIIMS Jammu.

Manpower:

A total of 32 contractual faculty were recruited to fill in the gap of the faculty requirement for teaching and hospital project management. I feel proud to share with you that even during the Covid-19 pandemic these faculty did yeoman service and ensured continuity of teaching and project activities. It was heartening to observe the faculty actively engaging themselves in meaningful scientific research and projects even before the commissioning of the Institute. Twenty-Seven (27) research papers were published in the year 2021-22 and mainly in journals of high research value.

MoUs:

A number of MoUs were signed during 2021-22. These included the following:

- a) MOU with IIT Jammu, IIM Jammu, AIIMS Jammu & University of Jammu on 28th August 2021. A distinctive collaborative programme MBA (HA & HM) has been started as a first of its kind, by three Institutes of National importance i.e. IIM Jammu, AIIMS Jammu and IIT Jammu. The program was inaugurated in October, 2021 by the Hon'ble Union Home Minister Shri Amit Shah, Shri Dharmendra Pradhan, Union Minister HRD, Dr Jitendra Singh (Minister of State (Independent Charge) of the Ministry of Earth Sciences, Minister of State (Independent Charge) of Science & Technology, Minister of State in the Prime Minister's Office, Minister of State in the Ministry of Personnel, Public Grievances and Pensions, Minister of State in the Department of Atomic Energy and Minister of State in the Department of Space) & Shri Manoj Sinha, Lt Governor of UT of Jammu and Kashmir in the presence of other renowned dignitaries at Jammu.
- b) MoU between AIIMS Jammu and CSIR-IIIM Jammu in presence of Hon'ble Minister Dr Jitendra Singh (Minister of State (Independent Charge) of the Ministry of Earth Sciences, Minister of State (Independent Charge) of Science

& Technology, Minister of State in the Prime Minister's Office, Minister of State in the Ministry of Personnel, Public Grievances and Pensions, Minister of State in the Department of Atomic Energy and Minister of State in the Department of Space) on 29th January 2022

- c) MoU with Institutes of National and International Importance (University of Alabama at Birmingham & Himalayan Research Institute for Yoga and Naturopathy (KAYAKALP)) on 07th March 2022.

Project:

The Cabinet of Government of India approved the proposal for establishment of AIIMS- Jammu at Vijaypur, District- Samba under Pradhan Mantri Swasthya Suraksha Yojna (PMSSY) in January 2019. The foundation stone for AIIMS - Jammu project was laid by Shri Narendra Modi, Hon'ble Prime Minister on 03.02.2019.

The work was entrusted to Central Public Works Department for execution. The A/A & E/S amounting to Rs 1661 Cr (**Rs 1404 Cr for Construction for Hospital, Medical College and other Infrastructure + Rs. 257 Cr for Medical Equipment and Furniture**) was issued by Ministry of Health and Family Welfare (MoH& FW) in **March 2019 with Target date of commissioning September 2023**. Initial funds to the tune of Rs 80 Cr for establishment of AIIMS was made available by MoH&FW through HEFA (Higher Education Financing Agency), but after that fund is made available by MoH&FW through GBS (Government Budgetary system).

AIIMS Jammu site is located at **National Highway 44** which divides the total campus having areas **226.84 acres into Two Campus**. North Campus of **96.90 acres** will house **Hospitals and Academic Buildings** and South Campus of **129.95 acres** will house **Hostels and Staff Housing**, both campuses will be connected by underpass. As per cabinet approved Detailed Project Report (DPR), the construction of River Protection work along Devak River is to be done

by State Irrigation Department and the construction of Underpass is being done by **National Highways Authority of India (NHA)**).

AIIMS Jammu Bhoomi Poojan ceremony occurred on 13th February 2020. It was done by **Dr Jitendra Singh, Hon'ble Union Minister of State (Independent Charge)** of the Ministry of Science & Technology; Minister of State (Independent Charge) of the Ministry of the Earth Sciences; MOS in Prime Minister's Office and Ministry of Personnel, Public Grievances & Pensions; Department of Atomic Energy; and Department of Space, Government of India, in the august presence of **Shri Jugal Kishore Sharma**, Hon'ble MP Jammu, **Shri Rajeev Rai Bhatnagar**, Advisor to Hon'ble Lieutenant Governor Jammu & Kashmir and **Padma Shri Professor Ravi Kant**, Director, AIIMS Rishikesh. The work of comprehensive consultancy for AIIMS Jammu (phase -1) was entrusted to **M/S ARCOP Associate Pvt. Ltd, Delhi**. The work was awarded with date of commencement **22.02.2020 to M/S Ahluwalia Contract (India) Limited. The revised target date of completion is September 2023** with the increase in the manpower from 500- 3500 workers working 24x7 to achieve the target. The Salient features of Project are

1. The total construction area in phase -1 is 2,25,205 sq m with development of whole premises, infrastructure civil and electrical facilities.
2. 750 Bedded hospital building will have provision of MRI, CT, PET Scan, Nuclear Medicine, Modular OT, ICU, Super Specialty departments, OPD, Trauma Beds.
3. 30 Bedded Two Storey Ayush Block.
4. Academic Building includes Medical College for 125 students per year and Nursing College for 60 students per year.
5. Total 230 staff housing from T-II to T-VII in multi storied towers and Director Bungalow, provision of UG Boys & Girls Hostel, PG Boys and Girls Hostel, PG Married Hostel and Nursing Hostel.
6. All the buildings are designed with provision of Seismic Zone 5

7. Provision of Helipad for catering to serious and accidental patients to be shifted by Air Ambulance to AIIMS Jammu.
8. Barrier Free Environment.
9. Provision for Sports Club, Cricket Stadium, Basketball Court, Lawn Tennis Court, Squash Court etc.
10. Provision of Surface Parking for 3300 ECS (Equivalent car space)
11. Provision of Night Shelter for attendants, having capacity of 256 nos.
12. A Guest House facility having capacity of 26 nos.
13. Both Campuses will be connected through 2 motor able and 2 Pedestrian Underpass.
14. Provision for 2 Additional Pedestrian Crossing is also kept at different locations for staff and students' movement.
15. Use of new and emerging technology like Glass Fibre Reinforced Concrete (GFRC) / Glass Reinforced Concrete (GRC) Cladding System, plastic Roads, Roof Top Solar PV Panels, Solar Poles.
16. Inverter type compressor and electronically communicated (EC) fan-based precision air conditioning, Ceiling Fans with Brushless DC (BLDC) Motor etc.
17. The whole campus is being developed for Green Rating for Integrated Habitat Assessment (GRIHA) 4-star rating. Sustainable development is a requisite for future generation, as increasing urbanization, destruction of natural resources by anthropic activities, degrading ecosystems for the sake of present economic development at cost of environmental exploitation are increasing by each passing day on earth. GRIHA (Green Rating for Integrated Habitat Assessment) was established by TERI and adopted by the Government of India as the national rating system for green buildings in 2007. The framework has been created to assist in the 'design and assessment' of new construction projects. A building is evaluated based on its expected performance over its entire life cycle, from conception to service. To achieve 4-star rating in phase 1 project, following provision kept: -

- (a) Use of Autoclaved aerated concrete (AAC) Blocks in masonry.
- (b) Low water consumption fixtures.
- (c) Recycled water for flushing & Gardening.
- (d) Rain water harvesting system. There are many advantages in using rainwater harvesting. First, the water is free, as the cost is for the collection and use. Rainwater may be used to augment groundwater and surface water as necessary, particularly when water is in short supply. It provides a zero-hardness, no salt solution, which extends the life of equipment.
- (e) Use of Low Volatile Organic Compounds (VOC) points.
- (f) Low U-factor and low solar factor glass for facade.
- (g) Low wastage electrical fixtures and High efficiency motors.
- (h) Barrier Free Environment- all building will be accessible to all.
- (i) Provision of 1.075 Million Litres per Day (MLD) Sewage Treatment Plant.

Electrical & Mechanical Services

11 KV Substation (1 No. For North Campus and 2 Nos. For South Campus).

1. Transformer Capacity.

- 5x2500 KVA (4W+1S)- For North Campus
- 3x1000 KVA (2W+1S) } For South Campus
- 3x1000 KVA (2W+1S) }

2. D.G Sets Capacity

- HT DG set- 5x2000 KVA + 2 x 1010 KVA – For North Campus
- LT DG set (a) 2x 250 KVA } For South Campus
- (b) 2x 250 KVA }

3. UPS system of capacity 2900 KVA – For Hospital, Academic, Ayush and Auditorium Buildings.

4. Supervisory control and data acquisition, SCADA system.

For effective monitoring of Electrical Parameters, Energy management and Energy Conservation. Supervisory control and data acquisition (SCADA) is

a control system architecture comprising computers, networked data communication and graphical user interface (GUI) for high-level process supervisory management, while also comprising other peripheral devices like programmable logic controllers (PLC) and discrete proportional integral-derivative (PDI) controllers to interface with process plant or machinery.

5. Central Air conditioning (High Efficiency Centrifugal type AC plant).

(a) 4x 800 TR Capacity (working) + 1x 800 TR (Standby)

Total Capacity=**4000TR.**

(b) 100 H.P VRV (Variable Refrigerant Volume) - For Club & Guest House.

(c) Precision Type Air Conditioning- For Data/Server Room.

(d) Building Management System (BMS) - For Energy Management and Conservation. Building Management System (BMS) based control system that needs to be installed within buildings to monitor and regulate the building's electrical and mechanical equipment such as power system, lightening, and ventilation to confirm sustainability. A building energy management system (BMS or BEMS) is based on a network of controllers and offers closer control and monitoring of building services performance, including cooling, heating, ventilation and air conditioning. This is shown on a computer screen in real time and allows settings to be changed quickly and easily. BEMS can reduce total energy cost by 10% or more so they are well worth considering. Buildings in particular are infused with devices connected to the Internet creating a network of connected pervasive things, namely the Internet of Things (IoT).

6. Lifts.

Regenerative Type Passenger cum beds lifts and service lifts (82 No's)

(Regenerative drives capture the heat generated by elevators during use and convert it into reusable energy for the building rather than wasting it as heat).

7. Fire Fighting and Fire alarm System

- (a) Wet riser and sprinkler system – For Hospital and Ayush Block
- (b) Wet riser system- For all Academic Block.
- (c) Down comer System – For all Residential Building including Hostels & Dining.
- (d) Addressable type Fire Alarm System for Hospital, Academic, Ayush and Auditorium Buildings.
- (e) Manual fire Alarm System-For Residential Buildings including
- (f) Hostels and Dining.
- (g) LED exit signage's.

8. Data Networking, Wi-Fi, Access Control System and CCTV

For Non-Residential and Residential buildings.

9. Solar Panel as per GRIHA rating.

- 1. 150 KWP Grid interactive Solar PV System is to be provided.
- 2. Solar poles for street lighting.

10. Medical System

- i. **Medical Gas Pipeline System (MGPS).** An MGPS is designed to provide a safe and effective method of delivering the required medical gas from the source of supply through a pipeline system to the patient via a terminal unit. Each medical gas must be supplied from a separate system, and it is essential that all parts of each system are gas specific to ensure that there is no possibility of cross-connection between any systems. During the installation stage, extensive tests are carried out to verify that there is no cross-connection.
- ii. **Modular Operation Theatres (MOT).** OT is the place in hospitals where medical professionals carry out interventional procedures in a sterile environment. A modular OT is an upgraded version of the OT in which seamless integration of systems having ceiling panels and modular walls is done. Modular operation theatre focuses on achieving safety, precision, and efficiency for the entire operating team. It is designed to

streamline the workflow and deliver better patient outcomes by eliminating wasted time and resources. Modular operating theatre drives consistency and smooth flow during operations, reducing the risk while carrying out surgical procedures.

- iii. **Nurse Call System (NCS).** Studies suggest that patient-related communication consumes 9.9% of nursing time and that "looking for someone" was the predominant nursing activity. The new two-way wireless communication system improved staff communication reduced environmental noise, and enhanced worker satisfaction and patient comfort. As health care organizations further decrease operating costs, communication modalities (specifically nurse call systems) will assume an increasingly important role in the health care delivery process and the cost-quality ratio. The NCS eradicates the frustration of patients to call the nurses. The system eases the management of patient related services like medicines and emergency calls.
- iv. **Pneumatic Tube System (PTS).** There is a growing need of integrated healthcare system for providing seamless care to the patients, reducing manual work, and improving efficiency. PTS is one such advanced microprocessor-based system of transportation that combines speed with reliability in numerous logistical needs. These are highly complex systems, which are used for a variety of small and medium-sized tasks.
- v. **Automated Waste & Laundry System (AWLS).** Automated, pneumatic systems take waste, recycling and soiled linen from multiple points in hospital facility and whisk it away to central locations entirely out of sight of the patients, guests and customers. This pneumatic conveying technology is quietly behind the walls and underground in continuous, 24/7 operation as it automatically streamlines the collection, transport and removal of laundry and refuse. Housekeeping traffic through the facility is reduced along with associated staffing and equipment costs. Unsightly tilt trucks despoiling otherwise stunning architecture remain up on the floor. Germs and odours are contained in a single HVAC zone.

11. Audio –Video System: For all Class Rooms, Conference Hall and Auditorium.

12. Sewage Treatment Plant (STP) / Effluent Treatment Plant (ETP).

Sewage from the hospital comes from various areas of hospitals like ICU, emergency room, canteen, laboratory and, from many other areas. Hospital sewage contains elements that have bad effect on environment as well as human beings. Therefore, its treatment is necessary. The treatment of effluents is essential to prevent pollution of the receiving water, to reduce the possibility of pollution and; biodegradable organics if left unsolved, the levels of contamination in the process of purification could damage bacterial treatment beds and lead to pollution of controlled waters. The proposed **Sewage treatment Plant of 660 KLD Approx. (600 KLD Sewage + 60 KLD Effluent) for Hospital Side & 375 KLD capacity for Residential Side** shall be with MBR Technology or improved version, as applicable, and shall include the **ETP discharged of 60 KLD (approx.) for Hospital**. The total capacity is 1075 KLD.

13. Water Supply System

Bore wells are proposed for AIIMS site and it is to be done by the PHE Department of J&K. **Hydro- pneumatic** Pumps are taken for distribution of water supply to various buildings.

Infrastructure which has been established at site: -

1. Two batching plant (60 cum/ hr in North Parcel & 30 cum/ hr in South Parcel).
2. Computer Numeric Control (CNC) Machine for stirrups cutting and bending.
3. 16 nos of tower cranes.
4. 20 KI capacity diesel dump to reduce carbon foot print.
5. Labour huts of 3000 capacity with all the facility.
6. Establishment of Safety Park for daily safety pep-talks and demonstrations.

7. Establishment of Community Health Care Centre with dedicated MBBS doctor to provide holistic care and giving exposure to medical students to understand needs of the community.
8. Establishment of various storage yards.
9. Establishment of fully equipped Quality labs.
10. Training centre for Skill development Programme under National Skill Development Programme.
11. Establishment of Tyre washing area to minimize dust outside.
12. 12-meter height barricading along NH & 3-meter height barricading at complete periphery.

I convey our gratitude to the Dr Mansukh Mandaviya, Hon'ble Union Minister, Health and Family Welfare and Chemicals and Fertilizers, Government of India, Dr Bharati Pravin Pawar, Hon'ble Minister of State, Health and Family Welfare, Government of India, Shri Rajesh Bhushan, IAS, Secretary (Health), Ministry of Health and Family Welfare, Government of India and his team for their timely advise and handholding in the development of the Institute.

I also convey my heartfelt thanks to Prof (Dr) Y K Gupta, President, AIIMS Jammu for his valuable inputs and unstinted support in the progress of the Institute.

I would like to place on record the excellent work done by CPWD and M/s Ahluwalia Contract India Limited (ACIL) in the progress of the Project. Their positive attitude and professionalism in the execution of the project is praise worthy.

We do look forward for completion of the AIIMS Jammu project before its scheduled timelines and pledge to make it an Institute of excellence in Academics, Research and Patient Care.

Prof (Dr) Shakti Kumar Gupta

ALL INDIA INSTITUTE OF MEDICAL SCIENCES VIJAYPUR, JAMMU

Introduction:

All India Institute of Medical Sciences, Vijaypur, Jammu is one amongst the several new AIIMS, being established under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) of the Ministry of Health & Family Welfare, Government of India. The short-term objective of establishing new AIIMS in various parts of India is to reduce the 'gaps' in affordable Tertiary Healthcare and long-term vision is to generate 'wellness' amongst the general population of India. AIIMS, Vijaypur, Jammu is under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY). It came into existence as an Institute of National Importance through Central Government Gazette Notification dated 04th December 2019. Establishment of AIIMS, Vijaypur, Jammu has been done under PMSSY (Phase-V) in a bid to correct regional imbalance in availability of affordable /reliable Tertiary Healthcare services and to cater for people residing in far flung areas of UT of Jammu & Kashmir, adjoining regions of Punjab, Himachal Pradesh and rest of the country.

The foundation stone of AIIMS, Vijaypur, Jammu was laid by Hon'ble Prime Minister Shri Narendra Modi Ji on 03rd February 2019. It was followed by Bhoomi Poojan Ceremony by Dr Jitendra Singh, Hon'ble Minister of State (Independent Charge) of the Ministry of Earth Sciences, Minister of State (Independent Charge) of Science & Technology, Minister of State in the Prime Minister's Office, Minister of State in the Ministry of Personnel, Public Grievances and Pensions, Minister of State in the Department of Atomic Energy and Minister of State in the Department of Space, Government of India on 13th February 2020. AIIMS, Vijaypur, Jammu is still in its construction phase as in year 2020-21 and progressing satisfactorily with increase of manpower from 500 labours (due to COVID-19 pandemic) to approximately 3500 labours, working day and night to complete the project before the target date **(photographs of progress of construction activities as on 15th April 2021 & 06th March 2022 is attached as Annexure for perusal please)**. AIIMS, Vijaypur, Jammu shall be a 750 bedded hospital in phase-I, with multiple specialities as well as super speciality departments (32 specialty and 18 super speciality departments). The project cost of construction is about 1661 crores, which includes an allocation of Rs 185 crores towards state-of-the-art medical equipment. The Government of Jammu has allotted about 227 acres of land (including expansion for phase-II & phase-III of the Institute) for the project and shall take care of access roads, water facilities and provision of electricity connection.

Project Details:

1. Location: Vijaypur District, Samba UT of Jammu & Kashmir
2. Land Area: 227Acres
3. Executing Agency: CPWD
4. Construction Agency: M/s Ahluwalia Contracts India Limited (ACIL)
5. Procurement support Agency: M/s HLL HITES (equipment worth Rs. 185 Cr)
6. Work Commencement : February 2020
7. Brief of Construction is as follows:
 - a) Hospital Block: 750 Bedded with OPD, IPD, AYUSH Block, Night Shelter etc.
 - b) Academic Block: 125 seat MBBS Medical College, 60 seat Nursing College; Library etc.
 - c) Residential Block: Residences and Hostels for Doctors, Nurses, Employees and Students; Guest house.

The trinity of mission of AIIMS is:

1. Education of diverse health professionals
2. Research in biomedical sciences; and
3. Patient care at the highest care level

The objective of AIIMS as mentioned in the AIIMS Act 1956 (as amended) is as follows:-

- 1) To develop patterns of teaching in under-graduate and post graduate medical education in all its branches so as to demonstrate a high standard of medical education to all medical colleges and other allied Institutions of India.
- 2) To bring together in one place education facilities of the highest order for the training of personal in all branches of health activities.
- 3) To attain self-sufficiency in post-graduate medical education.

AIIMS JAMMU: IMPORTANT MILESTONES

- Prof (Dr) Shakti Kumar Gupta founder Executive Director & CEO (Designate) alongwith Lt Col Prabhat Sharma, Deputy Director (Administration) visited Jammu from **12-04-2021 to 17-04-2021**. The following activities wrt functioning of AIIMS, Vijaypur, Jammu was carried out:-
 - (i) Meeting with Hon'ble Governor of UT of Jammu & Kashmir, Financial Commissioner (Health) of UT of Jammu & Kashmir, Principal Government Medical College, Jammu was carried out 14th & 15th April 2021. The outcome of the meetings was as under:-
 - AIIMS Jammu was permitted to conduct classes of its MBBS students at Government Medical College, Jammu.
 - Guest House of Government Medical College, Jammu was allotted for establishment of temporary camp office of AIIMS Jammu.
 - The issues of concerns wrt progress of construction/ establishment of AIIMS, Vijaypur, Jammu were also addressed by the Hon'ble Governor of UT of Jammu & Kashmir
 - (ii) Project Review Meeting on 16th April 2021:-
 - Project review meeting was carried out at AIIMS Vijaypur site under the chairmanship of Prof (Dr) Shakti Kumar Gupta to review progress & discuss various issues of concern related to construction activity.
- Prof (Dr) Shakti Kumar Gupta took over as founder Executive Director & CEO after one month of successful completion of orientation training (19th April 2021 to 14th May 2021) for newly appointed Executive Director & CEO at National Institute of Health & Family Welfare (NIH&FW) New Delhi: **14-05-2021**
- Establishment of Temporary Camp Office at Government Medical College Doctor's Guest House, Maheshpura Chowk, Jammu: **07-07-2021**
- First Independence Day Celebrations at Camp Office of AIIMS Jammu: **15-08-2021**
- Website Launch of AIIMS Jammu: **19-08-2021**

- First Meeting of Institute Body (IB) & Constitution of Governing Body (GB)/ Statutory Committees: **19-08-2021**
- Plantation Drive at AIIMS, Vijaypur, Jammu by Members of Institute Body: **20-08-2021**
- First Meeting of Project Monitoring Committee (PMC) at AIIMS, Vijaypur, Jammu: **21-08-2021**
- Signing of MoU's with National Institutes of repute for collaborative research/Training in various fields: **28-08-2021**
- A distinctive collaborative programme MBA (HA & HM) has been started as a first of its kind, by three Institutes of National importance i.e. IIM Jammu, AIIMS Jammu and IIT Jammu. The program was inaugurated in October, 2021 by the Hon'ble Union Home Minister Shri Amit Shah, Shri Dharmender Pradhan, Union Minister HRD, Dr Jitendra Singh (Minister of State (Independent Charge) of the Ministry of Earth Sciences, Minister of State (Independent Charge) of Science & Technology, Minister of State in the Prime Minister's Office, Minister of State in the Ministry of Personnel, Public Grievances and Pensions, Minister of State in the Department of Atomic Energy and Minister of State in the Department of Space) & Shri Manoj Sinha, Lt Governor of UT of Jammu and Kashmir in the presence of other renowned dignitaries at Jammu: **24-10-2021**
- Conduct of 1st Interviews at AIIMS New Delhi for faculty selection (on contractual basis) so as to enable start of physical classes at Jammu: **06-11-2021 to 13-11-2021**
- The orientation programme for MBBS Batch 2020 was conducted in September 2021 while that of MBBS Batch 2021 was conducted in January 2022 in virtual mode.
- Conduct of 2nd Interviews at camp office of AIIMS Jammu for faculty selection (on contractual basis) so as to enable start of physical classes at Jammu: **28-01-2022 to 31-01-2022**

Institute Body (IB)

S. No.	Member	Designation in IB
1.	Prof (Dr) Y K Gupta, President, AIIMS Bhopal & AIIMS, Vijaypur, Jammu, Former Dean (Academics), & Head, Department of Pharmacology, AIIMS, New Delhi	President
2.	Shri Jugal Kishore Sharma, Member of the Parliament, Lok Sabha (Jammu, UT of J&K)	Member
3.	Shri Jamyang Tsering Namgyal, Member of the Parliament, Lok Sabha (Ladakh)	Member
4.	Vacant, Member of the Parliament, Rajya Sabha	Vacant
5.	Shri Rajesh Bhushan, IAS, Secretary (Health), Ministry of Health & Family Welfare, Government of India	Member
6.	Shri Arun Kumar Mehta, Chief Secretary, Government of UT of J&K	Member
7.	Prof (Dr) Sunil Kumar, Director General of Health Services (DGHS) Ministry of Health & Family Welfare, Government of India	Member
8.	Dr Dharmendra Singh Gangwar, Additional Secretary & Financial Advisor, Ministry of Health & Family Welfare, Government of India	Member
9.	Prof Manoj Kumar Dhar, Vice-Chancellor, University of Jammu	Member
10.	Prof Manoj Singh Gaur, Director, Indian Institute of Technology (IIT), Jammu	Member
11.	Prof (Dr) Yatin Mehta, Chairman Medanta Institute of Critical Care and Anaesthesiology, Gurugram, Haryana.	Member
12.	Prof (Dr) S. Ramakrishna, General Secretary (Membership Affairs), Indian Science Congress Association & Prof, Department of Zoology, Jnanabharathi Campus, Bangalore University, Bengaluru	Member

S. No.	Member	Designation in IB
13.	Prof (Dr) Rajesh Gupta, Prof & Head, Department of Surgical Gastroenterology, PGIMER, Chandigarh	Member
14.	Prof (Dr) Ajit Sood, Prof Department of Gastroenterology, DMC Medical College & Hospital, Ludhiana	Member
15.	Prof (Dr) Omar Javed Shah, Former Director and Dean, SKIMS, Soura, Srinagar, Ex- Prof. & Head, Department of Surgical Gastroenterology, SKIMS, Soura, UT of Jammu & Kashmir	Member
16.	Prof (Dr) A K Bisoi, Professor, Department of CTVS, AIIMS, New Delhi	Member
17.	Prof (Dr) Shakti Kumar Gupta Executive Director and CEO, AIIMS, Vijaypur, Jammu	Member & Secretary to the IB.

SPECIAL INVITEES:

S. No.	Name & Designation
1.	Shri Nilambuj Sharan, Joint Secretary, Ministry of Health & Family Welfare, Government of India
2.	Lt Col Prabhat Sharma, Deputy Director (Administration), AIIMS Jammu

Governing Body (GB)

S. No.	Member	Designation in GB
1.	Prof (Dr) Y K Gupta, President, AIIMS Bhopal & AIIMS, Vijaypur, Jammu, Former Dean (Academics), & Head, Department of Pharmacology, AIIMS, New Delhi	Chairman
2.	Shri Jamyang Tsering Namgyal, Member of the Parliament, Lok Sabha (Ladakh)	Member
3.	Shri Rajesh Bhushan, IAS, Secretary (Health), Ministry of Health & Family Welfare, Government of India	Member
4.	Prof (Dr) Sunil Kumar, Director General of Health Services (DGHS) Ministry of Health & Family Welfare, Government of India	Ex-Officio Member
5.	Dr Dharmendra Singh Gangwar, Additional Secretary & Financial Advisor, Ministry of Health & Family Welfare, Government of India	Ex-Officio Member
6.	Prof (Dr) Yatin Mehta, Chairman Medanta Institute of Critical Care and Anaesthesiology, Gurugram, Haryana.	Member
7.	Prof Manoj Kumar Dhar, Vice-Chancellor, University of Jammu	Member
8.	Prof Manoj Singh Gaur, Director, Indian Institute of Technology (IIT), Jammu	Member
9.	Prof (Dr) A K Bisoi, Professor, Department of CTVS, AIIMS, New Delhi	Member
10.	Prof (Dr) Rajesh Gupta, Prof & Head, Department of Surgical Gastroenterology, PGIMER, Chandigarh	Member
11.	Prof (Dr) Shakti Kumar Gupta, Executive Director and CEO, AIIMS, Vijaypur, Jammu	Member & Secretary to the GB

SPECIAL INVITEES:

S. No.	Name & Designation
1.	Dr Manohar Agnani, IAS, Additional Secretary, Ministry of Health & Family Welfare, Government of India
2.	Shri Nilambuj Sharan, Joint Secretary, Ministry of Health & Family Welfare, Government of India
3.	Dr Dinesh Kumar, Dean Academics & HoD Community Medicine, AIIMS, Vijaypur, Jammu

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the All India Institute of Medical Sciences, Vijaypur, Jammu for the year ended 31st March 2022

We have audited the Balance Sheet of All India Institute of Medical Sciences, Vijaypur, Jammu as on 31st March 2022, Income and Expenditure Account and Receipts and Payments Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Power and Conditions of Service) Act, 1971 read with Section 18 (2) of the All India Institute of Medical Sciences (AIIMS) Act, 1956.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) The Balance Sheet and Income and Expenditure Account/Receipt and Payment Account dealt with by this Report have been drawn up in the Uniform format prescribed by the Ministry of Finance, Government of India ;
- iii) In our opinion, proper books of accounts and other relevant records have been maintained by the All India Institute of Medical Sciences, Vijaypur, Jammu in so far as it appears from our examination of such books.

iv) We further report that:

**A. Balance Sheet
Liabilities**

Corpus / Capital Fund (Schedule – 1) Rs. 85.60 crore

- A.1** Above includes Rs. 32.03 crore (Rs. 30.65 crore unutilized grant received for HEFA Loan, Rs. 1.15 crore unutilized Capital grant received during 2021-22 and unutilized funds under the Grant in Aid – General (Rs. 0.17 crore) and Salary (Rs. 0.06 crore).). Since, these grants are yet to be utilized by the Institute, the same should have been disclosed separately under Earmarked/ Endowment Funds instead of treating it as Corpus / Capital Fund.

This has resulted in overstatement of Corpus / Capital Fund and understatement of Earmarked/ Endowment Funds by Rs. 32.03 crore

- A.2** The Institute during the year 2020-21 paid interest amounting to Rs. 2.09 crore on the HEFA loan drawn for construction of AIIMS, Vijaypur, Jammu, and booked it as an expense during previous year. Since the AIIMS, Vijaypur, Jammu is under construction stage, the aforesaid interest should have been booked under Capital Work-in-Progress. This has resulted in understatement of Capital Work-in-progress as well as Corpus Fund by Rs. 2.09 crore.

**B. Income and Expenditure Account
Income**

Interest Earned Rs. 1.35 crore (Schedule 17)

Above represents the interest earned during the year by the Institute on the grants received from Government of India.

In this regard, a reference is invited to General Financial Rule No. 230(8) as per which, all interests or other earnings against Grants in aid or advances (other than reimbursement) released to any Grantee institution should be mandatorily remitted to the Consolidated Fund of India immediately after finalization of the accounts.

The Institute has booked the above-mentioned interest earned as income instead of treating it as a liability, which is not in order. Similar comment was also issued in the Separate Audit Report for the year 2020-21 in respect of Interest amounting Rs. 1.85 crore. However, compliance for the same was not made.

This has resulted in overstatement of Capital / Corpus Fund and understatement by Current Liabilities by Rs. 3.20 crore (1.35 + 1.85), besides overstatement of current year's income by Rs. 1.35 crore.

C. Significant Accounting Policies and Notes to the Accounts

C.1 A reference is invited to the Institute's Significant Accounting Policy No. 3A.3 which states that, land for which payments have been made directly to State Government (J&K) by the Ministry of Health & Welfare have not been shown in the books of accounts.

The land has been directly transferred from the J&K Government to Ministry of Health and Family Welfare on free of cost basis. In this regard, a reference is invited to AS-12, which states that Government Grants may take the form of non-monetary assets such as land or other resources, given at concessional rates. In these circumstances, it is usual to account for such assets at their acquisition cost. Non-monetary assets given free of cost are recorded at a nominal value.

Thus the accounting policy of the Institute is not as per the prescribed guidelines as mentioned above.

C.2 AIIMS Jammu Project Division was showing the receipt of total deposit of Rs. 653.33 crore for the works of AIIMS Vijaypur, against which amount of Rs. 540.08 crore had been utilised by CPWD on various works executed at AIIMS Vijaypur upto 31.3.2022. However, against the above transactions, the Institute has only accounted for expenditure of Rs. 50.00 crore as CWIP (against the advance of Rs. 50.00 crore released by the Institute). The remaining expenditure and capital advance has neither been accounted for in the books of accounts nor the fact and figures were disclosed in the Notes to the Accounts. The Accounts of the Institute and CPWD need to be reconciled with each other.

D. General

D.1 Net impact of Audit comments on the Annual Accounts

Net impact of Audit comments on the Annual Accounts of All India Institute of Medical Science, Vijaypur, Jammu for the year ending 31 March 2022 is as under:

- i. Assets understated by Rs. 2.09 crore.
- ii. Liabilities understated by Rs. 35.23 crore.

ANNUAL REPORT 2021-22

iii. Capital/ Corpus Fund overstated by Rs. 33.14 crore (including understatement of deficit of the year 2021-22 by 1.35 crore).

D.2 Government of India, Ministry of Health and Family Welfare vide its order dated 11 February 2021 appointed AIIMS, Delhi as the Mentor Institute of AIIMS, Vijaypur, Jammu. Accordingly, the Academic session for the year 2021-22 was conducted by AIIMS, New Delhi on behalf of the AIIMS, Jammu.

However, the revenue earned from Fees / Subscriptions from the students and corresponding expenditure incurred by AIIMS, New Delhi for the students enrolled for AIIMS, Jammu was not accounted for in the books of account as the details of the same were not available with institute.

D.3 As per GFR 211 (ii) (a), Fixed Asset Register is required to be maintained in form GFR 22. Though the Institute has maintained the Fixed Asset Register, but the same has not been maintained in the proper format, as certain prescribed information such as details of supplier, bill, cost and location of the asset was not found recorded in the Register.

E. Grant-in-aid

The position of Grant-in-aid of the Institute as on 31.03.2022 was as follows:

Particulars	(Amount in Rs. crore)					
	OH-31	OH-35	OH-36	HEFA (Principal Repayment)	Interest on Grant	Total
Opening Balance	1.89	0.00	0.87	30.65	1.85	35.26
Add:-Grants received during the year 2021-22	0.00	1.40	1.20	0.00	1.35	3.95
Total Fund Available	1.89	1.40	2.07	30.65	3.20	39.21
Less: Utilization up to 31.03.2022	1.04	0.25	1.47	0.00	0.00	2.76
Balance as on 31.3.2022	0.85	1.15	0.60	30.65	3.20	36.45

Above grant excludes the funds Rs. 603.33 crore (653.33-50) released directly by the Government of India to CPWD, as pointed out at sl. No. C.2 earlier.

F. Management letter

Deficiencies which have not been included in the Audit report have been brought to the notice of the Institute's management through a management letter issued separately for remedial/corrective action.

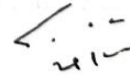

5. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

6. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes to the Accounts, and other significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

a. In so far as it relates to the Balance Sheet, of the state of affairs of the All India Institute of Medical Sciences, Vijaypur, Jammu as at 31st March 2022; and

b. In so far as it relates to Income & Expenditure Account, of the deficit for the year ended on that date.

For and on behalf of the C & AG of India

Director General of Audit (Central), Chandigarh

Place: Chandigarh

Date:

Annexure to Separate Audit Report

1. **Adequacy of Internal Audit System**
The Institute has not established an Internal Audit Wing.
2. **Adequacy of Internal Control System**
Internal Control System is inadequate to the extent that the internal audit system is not established in the institute, as mentioned in the point no. 1 above.
3. **System of Physical Verification of Fixed Assets**
Physical Verification of Fixed Assets was not conducted.
4. **System of Physical Verification of Inventories**
As per the annual accounts, the Institute had no inventory as on 31 March 2022.
5. **Regularity in Payment of Statutory Dues**
No irregularity was noticed in this regard.

ALL INDIA INSTITUTE OF MEDICAL SCIENCES VIJAYPUR

SCHEDULE FORMING PART OF THE ACCOUNTS FOR THE PERIOD ENDED 31st MARCH, 2022

SCHEDULE 24- SIGNIFICANT ACCOUNTING POLICIES

1. **ACCOUNTING CONVENTION**

1.1 The financial statement is prepared on the basis of historical cost convention, unless otherwise stated and on the accrual method of accounting.

2. **Revenue Recognition**

2.1 Grants-in-Aid (GIA) are accounted on receipt basis, and the unspent balances of Grants and Miscellaneous Receipts are carried forward to next financial years through transfer it into Capital fund.

2.2 Excess of expenditure during the FY over GIA received are made from balance of unutilized grant of previous FY which was lying in Capital fund.

2.3 Interest, Rent and other receipts are treated as income of the Institute and accounted for on actual receipt basis.

3. **Fixed Assets & Depreciation**

(A) **Fixed Assets**

3A.1 The fixed assets are stated at cost. Cost of acquisition is inclusive of inward freight, duties and taxes and other incidental expenses.

3A.2 No assets have been revalued during the year.

3A.3 Land for which payments have been made directly to State Govt. (J&K) by the Ministry of Health & Welfare have not been shown in books of accounts.

(B) **Depreciation**

3B.1 Depreciation on Fixed Assets is charged at the rates prescribed under Income Tax Act, 1961 on written-down value method.

4. **Retirement Benefits**

4.1 No provision has been made for Retirement benefits during the year, due to no regular staff appointed till March 2022.

ANNUAL REPORT 2021-22

Notes to the Accounts: -

1. During the year Institute has received following Grants: -

Nature of Grant	Amount (Rs. in Crore)
GIA (Capital)	1.40
GIA (Salary)	1.20
Total	2.60

2. As the Institute is following Uniform Format of Accounts, balance of General Reserve (Schedule-2) has been transferred to Capital Fund account (Schedule-1).
3. In compliance of SAR for FY 2019-20, expenses of Stamp Duty on HEFA loan Rs.1001630/- has been capitalized and added in WIP in Schedule-8 in FY 2021-22.

ACADEMIC CALENDER

The first batch of MBBS students commenced their academic session from December 2020 initially at AIIMS Rishikesh. Make shift campus at NITS Polytechnic Miransahib was made functional in January 2022 and the students began their 2nd Prof in the make shift campus in third week of January 2022. In April 2022 second batch of MBBS students was admitted at AIIMS Vijaypur in makeshift campus. Three lecture halls are established in makeshift campus only for theory classes with all the facilities for modern teaching. MBBS students are taken to Government Medical College Jammu and District Hospital Gandhi nagar for their clinical and practical classes.

DETAILS OF TEACHING DEPARTMENTS

First group of Faculty Members Joining AIIMS Jammu on Contractual Basis (2021)

S. No.	Name	Department of	Designation
1	Dr Heena Saini	Anaesthesia	Assistant Professor
2	Dr Raman Kumar	Biochemistry	Assistant Professor
3	Dr Pankaj Kumar Singh	Biochemistry	Assistant Professor
4	Dr Nikita Sharma	Community Medicine	Assistant Professor
5	Dr Shalli	Community Medicine	Assistant Professor
6	Dr Hemant Kumar Kanwar	Forensic Medicine & Toxicology	Assistant Professor
7	Dr Pranay Mahajan	Hosp. Admin	Assistant Professor
8	Dr Khalid Mehmood	Hosp. Admin	Assistant Professor
9	Dr Kuntal Kumar Sinha	Microbiology	Assistant Professor
10	Dr Diptanu Paul	Microbiology	Assistant Professor
11	Dr Renu Sharma	Obstetrics & Gynecology	Associate Professor
12	Dr Natasha Gupta	Obstetrics & Gynecology	Assistant Professor
13	Dr Ritesh Kumar	Pharmacology	Assistant Professor
14	Dr Sheetal Ganju	Pediatrics	Assistant Professor
15	Dr Poonam Sharma	Pathology	Associate Professor
16	Dr Reetika Menia	Pathology	Assistant Professor
17	Dr Udit Gupta	Physiology	Assistant Professor
18	Dr Urvershi Kotwal	Transfusion Medicine & Blood Bank	Assistant Professor
19	Dr Parvez Mohi Ud Din Dar	Trauma & Emergency Medicine	Assistant Professor

Second group of Faculty Members Joining AIIMS Jammu on Contractual Basis (2022)

S. No.	Name	Department	Designation
1	Dr Sunana Gupta	Anaesthesia	Additional Professor
2	Dr Vikash Kumar	Anatomy	Assistant Professor
3	Dr Krishan Lal Gupta	Biochemistry	Professor
4	Dr Dinesh Kumar	Community Medicine	Additional Professor
5	Dr Archana Shah	ENT	Assistant Professor
6	Dr Taranpreet Kaur	General Medicine	Assistant Professor
7	Dr Lucky Gupta	General Surgery	Associate Professor
8	Dr Uttam Kumar Thakur	General Surgery	Assistant Professor
9	Dr Ishani Gupta	Pathology	Assistant Professor
10	Dr Shivani Gandhi	Pathology	Assistant Professor
11	Dr Neena Sharma	Physiology	Associate Professor
12	Dr Anant Kumar	Physiology	Assistant Professor
13	Dr Gita Devi	Radio Diagnosis	Assistant Professor

The details of the scientific publications and related activities of faculty of AIIMS Jammu in the year 2021-22 department wise is given below:

Department of Anaesthesia

Details of faculty members:

S. No.	Name of faculty	Designation	Total number of publications	Total number of CME/Workshops/conferences /training attended
1.	Dr Sunana Gupta	Additional Professor	Nil	Nil
2.	Dr Heena Saini	Assistant Professor	1	Nil

Dr Heena Saini

Designation: Assistant Professor

Recent publications

1. Saini H, Angral R, Gupta N. Comparison of Safety and Efficacy of Endotracheal Tube, Laryngeal Mask Airway Supreme and I Gel in Laparoscopic Surgeries. J Evid Based Med Healthc 2021;8(11):623-628.

Ongoing/Completed

1. A comparative evaluation of intraperitoneal instillation and periportal infiltration of 0.375% ropivacaine with dexmedetomidine and nalbuphine as adjuvants for postoperative analgesia in laparoscopic cholecystectomy.
2. Comparison of Saddle block and Pudendal nerve block by SEPTA technique for anorectal surgeries-a randomised control study
3. Comparison of dose-response to two different doses of intravenous Lignocaine for analgesia in patients undergoing elective Laparoscopic Cholecystectomy under General Anaesthesia.

Department of Anatomy

Details of faculty members:

S. No.	Name of faculty	Designation	Total number of publications	Total number of CME/Workshops/ conferences/training attended
1.	Dr Vikas Sahu	Assistant Professor	Nil	5

Department of Biochemistry

Details of faculty members:

S. No.	Name of faculty	Designation	Total number of publications	Total number of CME/Workshops/conferences/training attended
1.	Dr Krishan Lal Gupta	Professor and Head	Nil	Nil
2.	Dr Pankaj Kumar Singh	Assistant Professor	2	2
3.	Dr Raman Kumar	Assistant Professor	2	2

Dr Pankaj Kumar Singh

Designation: Assistant Professor

Recent publications

1. Singh PK, Srivastava AK, Dalela D, Rath SK, Goel MM, Bhatt ML. CASC5 is a potential cancer-testis gene in human urinary bladder transitional cell carcinoma. Drug Discovery & therapeutics 2021;15(6):331-336.
2. Singh PK, Srivastava AK, Dalela D, Rath SK, Goel MM, Bhatt ML. The significance of TTK protein kinase overexpression in human urinary bladder transitional cell carcinoma. Drug Discovery & therapeutics 2021;15(4):204-209.

Dr Raman Kumar

Designation: Assistant Professor

Recent publications

1. Rathi H, Kumar R, Goyal B. Evaluation of Tumor Markers, Hormones and Anemia Markers Stability at Deep Freezing Temperature (- 20° C): A Preliminary Study. Indian Journal of Clinical Biochemistry. 2022 Jan;37(1):126-7.

Jammu emerging as integrated education model: Dr Jitendra

Nishikant Khajuria

JAMMU, Aug 28: As four premier institutions of Jammu entered into a first of its kind Memorandum of Understanding here today, Union Minister Dr Jitendra Singh said that Jammu is emerging as integrated education model for rest of the country.

"This is very unique thing happening possibly for the first time and the cue is possibly picked up by the people in other parts," he said while speaking as chief guest on the occasion of signing of multipartite MoU bringing together IIT Jammu, IIM Jammu, AIIMS Jammu and Jammu University.

Maintaining that Jammu has proved it has the potential to show the way in emerging as a great integration modal in the field of academic education, Dr Jitendra Singh said that the mantra of success for next 25 years would be to come out of silos and work with an integrated approach.

"As India emerges as frontline nation in the community of world as we plan roadmap for next 25 years when we would be celebrating India's 100th Independence

Day, I think this is going to be essential mantra of success and earlier we understand, it is better for all," he said, adding that working in silos prevents the optimum use of our resources and knowledge and hence collaboration is the

Union Minister Dr Jitendra Singh speaking during the signing of MoU among four institutions in Jammu on Saturday. Another pic on page 4.

new mantra of success.

Dr Jitendra Singh suggested that the coming together of the four education institutions of Jammu should pave the way for wider coordination through similar coordination with other remaining institutions.

Referring to the New Industrial Policy for Jammu & Kashmir as brought out by Prime Minister Narendra Modi, Dr Jitendra Singh disclosed that

on the 31st of August, Home Minister Amit Shah is going to launch a Web Portal for Registration of Units under the "New Central Scheme" for Industrial development of J&K. "This will also be optimally use-

ful only through an integrated approach if we are able to integrate the academic institutions with industry, Start-Ups, private sector, etc," he added and stressed for involving more stakeholders in the process.

The Union Minister opined that an integrated approach can do wonders and this has been established by several Start-Ups which are more lucrative than

Government jobs.

The MoU was represented by Dr Shakti Gupta, Executive Director AIIMS Jammu, Professor B S Sahay, Director IIM Jammu and Dr Manoj Singh Gaur, Director IIT Jammu. President AIIMS Jammu, Professor Y K Gupta and Chairman Board of

signed by Prof B S Sahay, Director, IIM Jammu and Dr Shakti Kumar Gupta, Executive Director and CEO, AIIMS. The Tripartite MoU between the institutions was signed by Prof B S Sahay, Director, IIM Jammu, Dr Manoj Singh Gaur, Director, IIT Jammu and Dr Shakti

AIIMS Jammu Executive Director Dr Shakti Gupta addressing the function on Saturday.

Governors IIM Jammu, Dr Milind Kamble were also present on the occasion.

The MoU aims at creating an academic think-tank to give new opportunities to the Faculty and students and promote integrated learning among the scholars.

The MoU between IIM Jammu and AIIMS Jammu was

Gupta, Executive Director and CEO, AIIMS.

Prof B S Sahay talked about the integration of technology, medical sciences and management helping in the blended learning, as is one of the key objectives of the National Education Policy 2020, and how it will lead to enhancement of multidisciplinary education.

Dr Milind Kamble, in his address, called Jammu a hub of higher education and highlighted the great academic potential of the historic collaboration between the institutes.

Additional CS Vivek Bhardwaj during visit to AIIMS Vijaypur.

Bhardwaj visits AIIMS Vijaypur, inspects development works

Excelsior Correspondent

SAMBA, Oct 5: Additional Chief Secretary, Health and Medical Education (H&ME), Vivek Bhardwaj, today visited All India Institute of Medical Sciences (AIIMS) Jammu being constructed at Vijaypur and inspected various development works being executed in the premier health center.

Additional Chief Secretary was apprised of the present status of construction works being done in the upcoming AIIMS through a detailed presentation. He was informed that prestigious AIIMS Jammu project is scheduled to be completed by March 2023 and all works are going on war footing for timely completion.

The complete project consists of two phases including hospital building, medical college, hotels, residential quarters and other utilities. The premier health institution is being established with a sanctioned cost of Rs. 1661 crore including Rs. 1452 crore for medical college and other infrastructure besides Rs. 209 crore for latest technology based medical equipments and related material.

It was also informed that new and emerging technologies including GRC cladding system, double glass unit facade, plastic roads, occupancy sensors,

rooftop solar PV panels, solar poles, fire curtains and other state of the art machinery are being incorporated in the AIIMS project to make it more patient friendly.

Additional Chief Secretary, while reviewing construction of underpass between phase-I and phase-II of AIIMS project, directed the representatives of NHAI and R&B Department to expedite the pace of progress on civil works for speedy completion. He also asked the Irrigation and Flood Control Department to develop protection walls along river Devok as per the DPR and complete the requisite works within the fixed time frame.

Later, Additional Chief Secretary visited the under construction Ayush Block within the AIIMS project besides launching a plantation drive in the premises.

Divisional Commissioner, Jammu, Dr. Raghav Langar, Deputy Commissioner, Samba, Anuradha Gupta, Executive Director and CEO AIIMS Jammu, Professor Shakti Gupta, Chief Engineer CPWD AIIMS, P K Dikshit besides Chief Engineers from PWD, PHE (Jal Shakti) and I&FC, ADRM Northern Railways, Project Director NHAI, Chief Town Planner JDA Jammu besides other officers were present on the occasion.

Dr Jitendra for creating awareness about Startups in J&K

Avtar Bhat

SAMBA, Jan 29: Maintaining that there is utmost need to create awareness about Startups in J&K, Union Minister of State with Independent Charge of Science & Technology, Dr Jitendra Singh today regretted that the job avenues created by Narendra Modi Government for the youth of the country under various Startup programmes could not be implemented in the J&K earlier due to certain barriers and impediments.

Dr Jitendra Singh was talking to reporters here during his visit to the All India Institute of Medical Sciences (AIIMS) Jammu for the

Union Minister Dr Jitendra Singh flanked by Director AIIMS Dr Shakti Gupta and Director IIM Dr S Reddy during the signing of MoU between the two institutions at Vijaypur on Saturday.

—Excelsior/Nischant
inspection of the upcoming new blocks and inauguration of recently developed facilities. He said that after the removal of these barriers, there is need to create awareness among the youth about the Start-ups in the J&K. He said in entire country the Startup culture got up in a big way while the J&K

Raises issue in LS Jugal demands extension of Metro up to AIIMS

Excelsior Correspondent

JAMMU, Dec 14: Jugal Kishore Sharma, BJP Member Lok Sabha from Jammu-Poonch Parliamentary constituency today raised the demanded regarding extension of Jammu Metro Rail from Jammu-Bari Brahmmana to AIIMS Vijaypur in his Parliamentary constituency in the Lok Sabha.

Jugal Kishore Sharma raised the issue in Lok Sabha and said that after the Abrogation of Articles 370 & 35-A from Jammu and Kashmir tremendous development could be seen in Jammu and Kashmir. He said that all the projects have been expedited and development can be observed in every nook and corner of Jammu and Kashmir. Jugal, while discussing two major projects in Jammu and Kashmir said that DPRs for two big projects for Metro Rail in both Jammu and Kashmir are going to be completed. He, urged the Ministry of Urban

Jugal Kishore Sharma, BJP Member Lok Sabha from Jammu-Poonch Parliamentary constituency, speaking in the Lok Sabha.

Development that DPR for laying of Jammu Metro Rail is going to be finalized from Bantalab to Bari Brahmmana but at a short distance from Bari Brahmmana Station All India Institute of Medical Sciences' Jammu work has not been taken up.

He said that Jammu Metro Rail which is going to be laid from Jammu to Bari Brahmmana should be extended up to AIIMS Vijaypur so that patients, staff and people of Jammu can avail the benefits of Jammu Metro Rail upto AIIMS.
