Instructions to Bidders

1. Clarification on Bidding Documents

The prospective Bidder may seek clarification about bidding documents via email or during the pre-bid meeting, which shall be held on the scheduled date as mentioned in the Tender Document and CPP Portal. The clarification of the queries will be uploaded on the website of AIIMS, Vijaypur, Jammu and CPP Portal for Bidders' information. Bidders are required to consider all the clarifications/amendments while preparing their bid proposals. Therefore, bidders are requested to visit the website on regular basis to check for necessary updates. These changes can be incorporated up to 7 days before the last date of bid submission.

2. Amendments in Bidding Documents

Changes can be incorporated anytime up to 7 days before the last date of bid submission by AIIMS, Vijaypur, Jammu, which may for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, modify the bidding document through amendment. All amendments will be submitted offline, along with a technical bid. The AIIMS, Vijaypur, Jammu shall not be responsible for notifying the amendments to individual bidders. All amendments by the AIIMS, Vijaypur, Jammu till 7 days before the deadline for submission of bids, shall be binding on the participatory bidders.

3. The Bidder is expected to examine all instructions, forms, terms and specifications in the bidding document. The bid should be precise, complete and in the prescribed format as per the requirement of the bid document. The bid should not be conditional. Failure to furnish all information required by the bidding document or submission of a bid not responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of the bid. The Bidder shall bear all costs associated with the preparation and submission of its bid and Client will in no case be held responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.
4. Bids for the tender will be accepted through offline mode in Tender Box only.
5. Before participation in the tendering process, the tenderers, in their own interest, are advised to visit the Institute to assess site and its surrounding and satisfy themselves in respect of the site conditions as the AIIMS, Jammu shall bear no responsibility for lack of acquaintance of the site and other conditions or any information relating thereto, on their part. The consequences of the lack of knowledge, as aforesaid, on the part of the tenderers shall be at their own risk & responsibility.
6. All rows & columns in the prescribed format should be filled and not left blank, or they may be struck as not applicable.
7. Each document should be serially numbered and self attested by the bidder with the firm's rubber stamp on each page. In the absence of any documents, the tender may be rejected.
8. **Price Preference Policy and Exemption for submission of various eligibility Criteria documents to the Bidders registered under Make in India Initiative:**

The Bidder Companies, those have registered under Make in India initiative and producing their products under "Make in India Policy of GOI" shall be given Preference as per Govt. of India applicable Rules and Guidelines on submission of relevant certificate (i.e. Make In India Certification) for availing the Preference and Exemption for submission of exempted documents against this bid along with their Technical Bid Documents (If no bidder submits the requested "Make in India" Certificate along with their Bid, it will be treated as open tender bid and no preference shall be given to such Bidders on producing "Make in India" Certification in later bid stage). It is expected that, all the participating

Bidders companies have understanding and prior knowledge about the “Make in India” Initiative and Price Preference Policy of Govt. of India. However, it is once again emphasized that before participating in this tender please carefully read the “Make in India” Initiative and directives of Govt. of India, since in case if any “Make in India” Registered Company will participate against this tender, the Price preference as per the same will be given to such participating Bidder company for ensuring necessary compliances of “Make in India” Policy of the Govt. of India.

9. **Two Bid System**

The required hard copies of respective bids viz. Technical and Financial, shall be submitted separately in sealed envelopes and both bids will be submitted in one outer envelope superscribing the title of the “**e-NIT for Planning, Designing, Supply, Installation, Commissioning and Maintenance of Gym on a Turnkey Basis at All India Institute of Medical Sciences, Vijaypur, Jammu -184120**” alongwith Tender Id, before the last date of submission of the bids as per the schedule for critical dates given in this e-NIT. The participating Bidder shall submit all requested bid documents (i.e. Technical and Financial Bid) duly signed and scanned copies in the tender box kept in Procurement Section, AIIMS, Vijaypur, Jammu. If any of the requested document(s) scanned copies are/is not found submitted in the tender box by the Bidder, their bid is liable for rejection. Thus, please study this tender very carefully and fill it out accordingly. Thus, the bid must consist of following:-

- a) **Technical Bid:** Separate envelope consisting of technical bid documents must be superscribed as Technical bid, which shall be opened as per the schedule given above at page no. 3. Technical bid must be complete in all respects and contains the required enclosures, as mentioned at “**Annexure-5**”(Self attested copy).
- b) **Financial Bid:** Separate envelope consisting of financial bid documents must be superscribed as Financial bid. The Financial Bids of bidders who qualify at the Technical Bid Stage will be opened as per the schedule given above at page no. 3.

The Sealed Technical bid envelope of all bidders will be opened first. The financial bid of only those bidders will be considered who qualify for the technical evaluation.

10. Hard copies of all requisite documents must be submitted in the tender box placed at Procurement Section, AIIMS, Vijaypur, on or before the last date of bid submission. It must be numbered serially and in sequential manner as shown/done in Annexure-5(Format to be filled by the bidder).

GENERAL TERMS AND CONDITIONS

1. The language of the tender shall be in English.
2. The bidders must have atleast 03 (three) years of experience in similar job in any Government/department/Institution directly.
3. The average annual turnover for the last three years should be Rs. Five Crore. Certificate in this regard must be furnished by the bidders alongwith their bid to substantiate their claim.
4. The firm/ agency must have requisite trade and other licenses to do the business for which the bid is being made.
5. **Eligibility Criteria:** To be eligible, the Manufacturing Company/ Firm/Authorized Dealer/Distributor should fulfil all the eligibility criteria mentioned in the Technical Bid(“**Annexure-5**”) and other conditions/instructions mentioned in the tender document.
6. **The tender shall be rejected if:**
 - (a) A firm submits Conditional tender;
 - (b) More than one type of rate is quoted for one product.
 - (c) Requisite documents authentic and legible scanned copies are not submitted.
7. The bidders are at liberty to be present at the time of various tendering events as per the scheduled dates mentioned in the tender document, subject to their eligibility on various stages of bidding. The bidder should quote only one rate for each item as **Price per unit + Tax in% (if any) INCLUSIVE OF ALL (PER UNIT)**. If taxes are not quoted separately, then it will be deemed that the rates quoted are inclusive of all taxes & nothing will be extra payable. Rates quoted should be in words and in figures. No correspondence in this regard will be entertained at a later date. **The rate of the L1(Lowest Bidder) will be fixed for the tenure of the contract.**
8. **Anti-Profiteering Rule under GST Act 2017:-** No item should be quoted at a price more than the M.R.P. by any supplier agency to AIIMS Vijaypur, Jammu. The M.R.P is required to be clearly mentioned on each of the supplied items/it's packaging in their offered pack size(if applicable).
9. **Fall Clause:** If at any time during the execution of the contract, bidder reduces the sale price or sells or offers to sell item/equipment, as are covered under the contract, to any person/organization including the purchaser or any department of Central Government or any department of AIIMS, Vijaypur, Jammu/PSUs at a price lower than the price chargeable under the contract during the Current Financial Year, he shall forthwith notify The Executive Director & CEO AIIMS, Vijaypur, Jammu.
10. **Earnest Money Deposit:** Each bid must be accompanied by “Earnest Money Deposit” in the form of FDR or Bank Guarantee with validity of equal to or more than 8 months from the date of opening of tender, as mentioned in the Notice Inviting Tender. EMD is subject to forfeiture in following cases:-
 - a) If the Bidders withdraw their Bids after the opening of the same or the successful bidders withdraw their Bids after approval of their rates.
 - b) If the successful bidders fail to supply or refuse either partial or total offer (Acceptance) made by Incharge Procurement Cell AIIMS Vijaypur, Jammu.

EMD of unsuccessful bidders will be returned after the finalization of the tender. Whereas, the EMD of successful bidder(s) will be returned only after the receipt of Performance Security Deposit from successful bidder.

10. **Performance Security Deposit:** The selected bidder(s) must deposit the requisite amount of Security Money (@10% of the contract value) within the stipulated date specified in the acceptance letter. The approved firm shall deposit the Security Money in the form of FDR or Bank Guarantee, valid for a period of 26 months from the date of issuance of LOI(Letter of Intent) in favor of “**The Executive Director & CEO, AIIMS, Vijaypur, Jammu**”, payable at Jammu. In case of extension of contract, the validity of PBG will be extended accordingly. Security Deposit of the bidder is subject to forfeiture in following cases:-

- a) In the event of failure to supply or maintain the equipment/ instruments as per the terms & conditions of the contract within the stipulated period, the security deposit may be forfeited.
- b) In case of failure to supply or maintain the item/equipment as per the contract, AIIMS will make arrangement for the same, at the risk and cost of the agency/firm, without any further reference, so that the loss incurred would be recoverable from the Security Deposit of the said firm/agency or from any sum due of which may become due to the agency/firm.
- c) If any equipment/ instrument is damaged by the approved firm, the cost of the same will be deducted from the deposited Security money of the firm/agency.

After successful completion of the entire supply and period of maintenance, the security deposit will be refunded within six months if not extended for a further period.

12. **Submission of Documents:-**

- a) Each tender must accompany self attested copy of documents as sought at **Annexure-5**.
- b) In the case of the SSI/NSIC unit, the current SSI/NSIC certificate must be deposited by the bidder along with his tender which is issued in favour of the bidder for this type of job the bidder is exempted from submitting EMD & Tender Fee.
- c) In the case of Co-operative Society Limited, Companies etc. this type of job must be included in the object of their by-laws or MoA, as the case may be.

13. **Rates:-**

- a) Rates should be quoted as per the Financial bid format attached(**Annexure-6**) with the tender document with respect to each item. All corrections must be initiated.
- b) Rate should be quoted for all items/equipments in detail as described in the tender schedule otherwise tender will be rejected.

14. In the event of the tender being submitted by a firm, it must be signed separately by each member thereof, or in the event of absence of any partners, it must be signed on his behalf by a person holding “Power of Attorney” authorizing him to do so. Such “Power of Attorney” is to be produced with the Tender and in the case of the firm, carried on by one member of the Joint Family, it must be disclosed that the firm is duly registered under the ‘Indian Partnership Act’.

15. Before submission of the tender, the bidder shall self attest each page of his tender and all of its relevant papers with date. The additional alternative and or subtractive clause (if any) shall also be signed by the bidder.

16. **Warranty:** - The items/equipment and accessories etc. supplied as a result of this contract/supply order shall be of the best quality and workmanship and new in all respects and shall be strictly in accordance with the specifications and particulars contained/mentioned against each item in the tender document/supply order. The bidder will provide a warranty that the said item/equipment etc. would continue to conform to the description and quality aforesaid for a period of 2 years from the date of delivery/installation of the said item/equipment etc. to the buyer.

17. Comprehensive Annual Maintenance Contract:

- a) The decision to enter into CMC or AMC will be determined on the basis of the cost and complexity of the equipment by the Tender Inviting Authority, at its discretion, prior to the expiration of the warranty period.
- b) The Comprehensive Maintenance Contract (CMC) is otherwise an extended warranty. All the terms and conditions agreed by the successful Bidder for executing the comprehensive warranty of the equipment shall be extended during the period of CMC, the only difference being the payment of CMC charges is absent during the period of the comprehensive warranty.
- c) The cost of CMC, accessories and spares as in case may be quoted along with taxes applicable, if any. The taxes to be paid extra, are to be specifically indicated. In the absence of any such stipulation, the price will be taken inclusive of such taxes and no claim for the same will be entertained later.
- d) Failure/refusal on the part of the successful tender supplying/installing the equipment to enter into CMC with the Tender Inviting Authority, at the end of the Comprehensive Warranty Period, if the Institute, as the case may be, desires so, shall lead to forfeiture of performance security and may also result in the blacklisting/debarring of the Bidder.
- e) The successful Bidder shall also indicate the rates for the CMC in price bid form and such rates are binding on the successful tenders after the expiration of the warranty period. The yearly rates for CMC shall remain the same as quoted in the price bid form for the extended years.
- f) Cost of CMC (excluding taxes, if any) will be considered for Ranking/Evaluation purposes.
- g) The payment of the agreed CMC charges will be made as per frequency for payment after satisfactory completion of said period, on receipt of the service report/breakdown report from the user.
- h) The Bidder shall also have to submit whether periodic replacements of consumable items are required for the proper functioning of their quoted machine/Equipment. If yes, they should submit the list of such consumables along with the price list and frequency of replacement per year if the same is not included in quoted Comprehensive Annual Maintenance Contract charges per year.

18. Critical Time Limits:-

- a) Installation & delivery period – 60 days from date of issuance of Letter of Intent/Supply Order.
- b) Comprehensive warranty period - 2 years from the date of successful installation.
- c) CMC period - 3 years after expiry of the 2 years warranty.
- d) Frequency of visits of engineer/technical person to AIIMS during Warranty/CMC - One visit every three months (4 visits in a year) for periodic/preventive maintenance and any time for attending repairs/breakdown calls.
- e) Frequency of payment of CMC charges- Annually after completion of the period subject to submission of satisfactory performance report by the Sports Committee or Incharge Sports of AIIMS, Jammu.
- f) Submission of Performance Security and execution of the contract within 10 days from the date of issuance of Letter of Intent.
- g) Maximum time to attend any Repair call - within 24 hours.
- h) Uptime in a year during warranty as well as during CAMC period - 95% of 365 days.

The contract can be cancelled unilaterally by the buyer in case items are not received within the contracted delivery period. Extension of the contracted delivery period will be at the sole discretion of the buyer, with the applicability of the LD clause.

19. Liquidated damages: In the event of the seller's failure to submit the guarantees and documents, supply the stores/goods, and installation of equipment as per the contract agreement, the buyer will at its discretion withhold any payment until the completion of the contract. The buyer may also deduct from the seller as agreed, liquidated damages to the sum of 0.5% of the contract price of the delayed/undelivered stores/services mentioned above for every week of delay or part of the week, subject to the maximum value of the Liquidated Damages being not higher than 10% of the value of delayed stores.

21. **Rate-Revision:-** Successful bidders shall not be entitled to any rate-revision of price for any reason except Govt. levies, which become applicable after the finalisation of the contract along with adequate documentary proof thereof. No change/alteration, on plea of clerical or typographical error, in rates or other terms in the tender will be permitted under any circumstances. Withdrawal of the complete tender can be allowed, but in such cases, the earnest money deposit shall be forfeited in full. Partial withdrawal (with respect to one or more items quoted) will not be allowed under any circumstances.

22. **Inspection of The Premises:-** The Competent Authority of AIIMS, Vijaypur, Jammu or his nominee reserves the right to inspect the firms participating in the tenders by officers appointed by The Director AIIMS, Vijaypur, Jammu. They can carry out an inspection of the premises to assess the capacity/capability/eligibility of the firm to ensure that the bidder is following good practices. The decision of the Director shall be final in this regard.

23. **Inspection Of Supplies:-** Inspection will be done by the duly constituted committee and or authorised representatives in AIIMS, Vijaypur, Jammu premises at the designated place. The Consignee Receipt & Acceptance Certificate will be issued to the supplier Agency by the constituted committee and this needs to be submitted with the payment claim of the supplier agency on each occasion when the bill is raised as per the terms & conditions of the contract.

24. **Repeat Order Clause:-** The buyer can order up to 50% quantity of the items under the present contract within six months from the date of supply/successful completion of the work, with the cost, terms & conditions remaining the same. The bidder is to confirm acceptance of this clause. It would be entirely the discretion of the buyer to place the repeat order or not.

25. **Apportionment of Quantity:** If there is apprehension that L1 may not have the capacity to supply the entire requisite quantity within the defined time, then, the order may be placed on L2, L3 and so on for the balance quantity at L1 rates, provided this is acceptable to them. The ratio of splitting of supply order will be worked as per the capability of the L1 firm.

26. The following conditions are an integral part of the tender:-

- a) This is a Turn Key Contract for setting up of GYM for AIIMS Vijaypur, Jammu and any work/ items of work essentially required for the functioning of the GYM but not included in the BOQ / items of BOQ, shall be deemed to have been included in the rates quoted by the vendor/ bidder and shall be executed by the successful vendor/ bidder without any extra cost.
- b) All items of work/ works of electric supply, water supply, plumbing, disposal from the source of supply/ point of disposal for the functioning of GYM shall be deemed to have been included in the rates quoted by the vendor/ bidder and shall be executed by the successful bidder/ vendor without any extra cost.
- c) Any additions/ alterations/ demolitions/ dismantling of existing structures / civil works / electrical works / HVAC works / LV works required for setting up of functional GYM and repair / redoing to original specifications/ finishes shall be deemed to have been included in the rates quoted by the bidder/ vendor and shall be executed by successful bidder/ vendor without any extra cost. The vendor will work in association with civil & electrical contractors of the institute to ensure proper connectivity to all fittings & fixtures.
- d) All the bidders/ vendors are advised to visit the site location/ room of the proposed GYM to assess the requirement before quoting the rates. Even if, bidders/ vendors do not visit the site, it will be considered that bidders/ vendors have quoted the rates after assessing the correct requirement and no claim whatsoever on this account will be admissible.

27. **Disputes And Arbitration:-** In the event of any dispute or disagreement arising between the contractors and any other department of AIIMS, Vijaypur with regards to the interpretation of "Terms & Conditions" stipulated herein or in the contract done, the same shall be referred to the Competent authority, AIIMS Vijaypur whose decision will be final and binding upon the contractor.

28. **Payment terms:-** 100% payment will be made after successful completion of the work subject to submission of the following documents:-
- a. Ink signed copy of the bill in triplicate.
 - b. Ink signed copy of the commercial invoice
 - c. Copy of original supply order
 - d. Inspection note issued by the sports Committee of AIIMS Vijaypur, Jammu
 - e. Warranty certificate
 - f. Performance Bank Guarantee
 - g. DP extension letter if any.
 - h. Details for electronic payment viz accounts holder name, bank name, branch name, IFSC code, MICR code.
29. The quoted rates must be valid for the entire tender period, which, if the Institute authority desires, may be extended for a further period by issuing proper notification.
30. Acceptance of the lowest bid is not obligatory.
31. The Tender submitted by the firm who has already been Blacklisted or whose contract was terminated for dissatisfactory supply or repairing works or who was unable to execute any contract in this hospital or any other Hospital run by the state or central government, will not be considered, even if he emerges as the lowest bidder.
32. Regarding Supply and Charges for repairing, Abnormal Low Rates or Abnormal High Rates (in comparison to the market Rate) will not be considered.
33. The approved firm, after supplying the equipment, has to deposit the spares (if any) to the Incharge of the respective user Department (Sports Committee) which should be shown clearly in the Service Reports duplicate copy of which must be furnished to the AIIMS, Vijaypur, Jammu Store.
34. The repair bill may be submitted after the execution of the work order satisfactorily along with the Service Report duly certified by the respective user department (Sports Committee). Bidders should be original equipment manufacturers or authorized dealers who have ink signed and stamped authorization letters in original from the OEM (Original Equipment Manufacturer) of offered items. In case of bidder and OEM are the same, a Valid Udyam registration certificate issued by MSME is to be submitted in support of the same.
35. The bidder should have a valid ISO 9001:2018 / ISO 45001:2015 certification.
36. The goods supplied should have two-year onsite warranty and should include delivery, onsite installation, and onsite training.
37. Equipment made to ASTM / EN 957 / CE / LVD / BS EN ISO 20957 international Standard for gym/ fitness equipment. All quality certificates as per specifications must be issued before the release date of tender.
38. Standard exemption towards prior experience criteria and turnover will be given to startups incorporated in the same field recognized under DIPP and start-up India provided that the registered startups must be more than 3 years old from the date of publishing of the bid.
39. Minimum 50% and 20% Local Content required for qualifying as Class 1 and Class 2 Local Supplier Respectively.

40. The bidder must enclose a notarized certificate that the Organization has not been blacklisted and/or debarred from business by any institution of the State. Government, Central Government, Central & State Govt. Undertakings, Govt E-marketing (GEM) portal or any other Quasi-Government bodies/ Organizations or International organizations such as World Bank, ONVIF or any major Enterprise/Organization in India for non-satisfactory performance, corrupt & Fraudulent or any other unethical business practices, not meeting critical conditions/ standards/security clearance etc. in the past five years. Non-compliance shall result in the rejection of the Bid. The bidder through its director(s) or company, or other companies owned by its directors has never been debarred/blacklisted by any government authority or misled any department for execution of government works.
41. Local suppliers under the Make in India initiative are eligible to apply as per the Public Procurement (Preference to Make in India) Order by Department for Promotion of Industry and Internal Trade, Government of India.
42. Gym Trainers must be experienced and possessing a relevant certificate for carrying out the said job. The selection of the Gym Trainer will be done by the Sports Committee/ Competent Authority of AIIMS, Jammu.
43. **Packing and Marking:**
- a) The packing for the goods to be provided by the supplier should be strong and durable enough to withstand, without limitation, the entire journey during transit, including transshipment (if any), rough handling, open storage, etc., without any damage, deterioration, etc. As and if necessary, the size, weights and volumes of the packing cases shall also take into consideration, the remoteness of the final destination of the goods and availability or otherwise of transport and handling facilities at all points during transit up to final destination as per the contract.
 - b) The quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall strictly comply with the requirements as provided in Technical Specifications. In case the packing requirements are amended due to issue of any amendment to the contract, the same shall also be taken care of by the supplier accordingly.
 - c) Packing instructions: Unless otherwise mentioned in the Technical Specification, the supplier shall make separate packages for each consignee (in case there is more than one consignee mentioned in the contract) and mark each package on three sides with the following with indelible paint of proper quality:
 - i. Contract number and date.
 - ii. Brief description of goods including quantity.
 - iii. Packing list reference number.
 - iv. Country of origin of goods.
 - v. Consignee's name and full address and
 - vi. Supplier's name and address

44. **Inspection, Testing and Quality Control:**

- a) The purchaser and/or its nominated representative(s) will, without any extra cost to the purchaser, inspect and/or test the ordered goods and the related services to confirm their conformity to the contract specifications and other quality control details incorporated in the contract. In case the goods are rejected in the first instance and the supplier requests for re inspection, and if same is accepted by

Purchaser/Consignee, all subsequent inspections shall be at the cost of the supplier. The expense will be to and from Economy Airfare, Local Conveyance, Boarding and Lodging of the inspection team for the inspection period.”

- b) The Technical Specification incorporated in the contract shall specify what inspections and tests are to be carried out and, also, where and how they are to be conducted. If such inspections and tests are conducted in the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data, shall be furnished by the supplier to the purchaser’s inspector at no charge to the purchaser.
- c) If during such inspections and tests the contracted goods fail to conform to the required specifications and standards, the purchaser’s inspector may reject them and the supplier shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards, as required, free of cost to the purchaser and re-submit the same to the purchaser’s inspector for conducting the inspections and tests again.
- d) In case the contract stipulates pre-dispatch inspection of the ordered goods at supplier’s premises, the supplier shall put up the goods for such inspection to the purchaser’s inspector well ahead of the contractual delivery period, so that the purchaser’s inspector is able to complete the inspection within the contractual delivery period.
- e) If the supplier tenders the goods to the purchaser’s inspector for inspection at the last moment without providing reasonable time to the inspector for completing the inspection within the contractual delivery period, the inspector may carry out the inspection and complete the formality beyond the contractual delivery period at the risk and expense of the supplier. The fact that the goods have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to the purchaser under the terms & conditions of the contract.
- f) The purchaser’s contractual right to inspect, test and, if necessary, reject the goods after the goods’ arrival at the final destination shall have no bearing of the fact that the goods have previously been inspected and cleared by purchaser’s inspector during pre-dispatch inspection mentioned above.
- g) “On rejection, the supplier shall remove such stores within 14 days of the date of intimation of such rejection from the consignee’s premises. If such goods are not removed by the supplier within the period mentioned above, the purchaser/consignee may remove the rejected stores and either return the same to the supplier at his risk and cost by such mode of transport as purchaser/consignee may decide or dispose of such goods at the suppliers risk to recover any expense incurred in connection with such disposals and also the cost of the rejected stores if already paid for.”
- h) Goods accepted by the purchaser/consignee and/or its inspector at initial inspection and in final inspection in terms of the contract shall in no way dilute purchaser’s/consignee’s right to reject the same later, if found deficient in terms of the warranty clause of the contract.
- i) Principal/ Foreign supplier shall also have the equipment inspected by recognized/ reputed agency like SGS, Lloyd, Bureau Veritas, TUV etc. prior to dispatch at the supplier’s cost and furnish necessary certificate from the said agency in support of their claim.

45. **Insurance:**

- a) The supplier shall be responsible till the entire stores contracted for arrival in good condition at destination. The transit risk in this respect shall be covered by the Supplier by getting the stores duly insured for an amount equal to 110% of the value of the goods from warehouse to warehouse (consignee site) on all risk basis. The insurance cover shall be obtained by the Supplier and should be valid till 3 months after the receipt of goods by the Consignee.
- b) If the equipment is not commissioned and handed over to the consignee within 3 months, the insurance will have to be extended by the supplier at their cost till the successful installation, testing, commissioning and handing over of the goods to the consignee. In case the delay in the installation and commissioning is due to handing over of the site to the supplier by the consignee/End User, such extensions of the insurance will still be done by the supplier, but the insurance extension charges at actual will be reimbursed.

46. **Spare parts:**

- a) If specified in the List of Requirements and in the resultant contract, the supplier shall supply/provide any or all of the materials, information etc.(refer Annexure-1) pertaining to spare parts manufactured and/or supplied by the supplier.
- b) The spare parts as selected by the Purchaser/End User to be purchased from the supplier, subject to the condition that such purchase of the spare parts shall not relieve the supplier of any contractual obligation including warranty obligations; and
- c) In case the production of the spare parts is discontinued:
 - (i) Sufficient advance notice to the Purchaser/End User before such discontinuation to provide adequate time to the purchaser to purchase the required spare parts etc., and
 - (ii) Immediately following such discontinuation, providing the Purchaser/End User, free of cost, the designs, drawings, layouts and specifications of the spare parts, as and if requested by the Purchaser/End User.
 - (iii) Supplier shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the goods so that the same are used during warranty and CAMC period.

47. **Incidental Services:** The supplier shall be required to perform the following services:

- a) Installation & Commissioning, Supervision, Demonstration, Trial run etc. of the goods.
- b) Turnkey work (if any).
- c) Training of Consignee's/End Users Doctors, Staff, operators etc. for operating and maintaining the goods.
- d) Supplying required number of operation & maintenance manual for the goods.

48. **Exclusive right:**

- a) **The Competent Authority of AIIMS, Vijaypur, Jammu**, has the full and exclusive right to accept or reject, increase or decrease order quantity, any or all the tenders(including the lowest quotation) without assigning any reasons thereof and also to cancel the supply at any time without assigning any reason. No correspondence in this regard will be entertained.
- b) The Competent Authority of AIIMS, Vijaypur or his nominee reserves the right to invite, at his sole discretion, separate Rate quotations/Inquiries to effect purchase outside this contract in the event of any urgent demand arising in AIIMS Vijaypur, Jammu, where no stock/option is available or otherwise.

Additional Terms and Conditions(ATC)

1. The Bidder is expected to go through all the instructions given in the ATC document.
2. Tender is Two bid system. Step 1 Technical evaluation and step 2 Financial evaluation.
3. Documents should be submitted in the tender box placed at Procurement Section, Administrative Block, AIIMS, Vijaypur, Jammu, as per the terms & conditions of the tender document on or before the last date of submission of bids(**Absence of any documents may lead to the rejection of tender**). Serial Number of submitted documents should be in sequence.
4. Tenderer needs to deposit the EMD Amount as per above mentioned in the form of FDR or Bank Guarantee in favour of “The Executive Director and CEO, AIIMS Vijaypur, Jammu”, payable at Jammu.
5. Bidder signed and stamped legible valid copy of Firm/Company Registration/Incorporation Certificate.
6. Bidder signed and stamped copy of GST Registration and proof of latest quarter GST returns filed by the participating Bidder Company.
7. Bidder signed and stamped copy of PAN Card in the name of firm/company.
8. Bidder signed and stamped copy of CA certificate for Income Tax return of the firm/company for the last three financial years (**i.e. Financial Year- 2021-22, 2022-23 and 2023-24**).
9. Account for last three Financial Years (**i.e. for FY 2021-22, 2022-23 and 2023-24**) duly certified by the Chartered Accountant/Company Secretary must be submitted. The average annual turnover of the Bidder company for participating in this tender must be Exceeding **Rs. 5 Crore**. For this purpose a scanned copy of Letter duly certified by the Chartered Accountant/Company Secretary for clearly mentioning the above three FY’s Annual Turnover Figures must be submitted for necessary references by the Bidder.
10. List of Name of the Organizations and their contact details where the indoor gym equipment have been previously supplied to any Institute of national importance/ Government Hospital/ departments /Institute/PSU’s/Other reputed Institutions in India in **Last Three Financial Years (i.e. 2021-22, 2022-23 and 2023-24)** must be submitted. If any Bidder will not submit the requested List of above requested information in respect of Items asked in this Tender enquiry of the requested FYs, there bid is liable for rejection.
11. Signed and attested legible scanned copies of atleast three nos. of **Previous Purchase Order Copies** supplemented by **Buyer Acceptance/Receipt/Inspection Report** of similar gym items/equipments(refer Annexure-1), which they have supplied to various reputed Institute of National Importance/Government Hospitals/Institutions/PSU’s/Other reputed Hospitals/Institutions in India in the last Three Financial Years in Chronological Order from **F.Y. 2021-22, 2022-23 and 2023-24**, clearly showing the financial value of PO amount for Technical bid evaluation purpose.
12. Signed and attested legible scanned copies of Performance Certificates regarding their Supply, their Consumables Performance/Items, which they have been supplied to various reputed Government Hospitals/Institutions/PSU’s/Other reputed Hospitals/Institutions in India in the last Three Years in Chronological Order **from FY- 2021-22, 2022-23 and 2023-24**.
13. Signed & scanned copy of the authorization Letter in the name of the Authorized Person allowed by the Proprietor / Owner to sign the documents in case the owner/proprietor is not signing the tender document. Declaration/authorization from the manufacturer should be submitted for every quoted item / Consumables. However, if the bidder is quoting more than one Consumables/item of the same make,

single authorization mentioning the name of items / Consumables from the manufacturer is sufficient, the same make, single authorization mentioning the name of items / Consumables from the manufacturer is sufficient.

14. Signed and Scanned Checklist of requisite Technical documents to be submitted in the respective Technical Bid Document.
15. Scanned copy of list of the items with its make, model & country of origin without indicating prices in Technical bid by interested Bidder for Technical Evaluation purpose on those items he want to participate against in this Tender as per the Schedule of Requirement
16. In case of imported stores, the Bidder should submit a scanned and signed copy of the authorization of agency agreement elaborating on the responsibility of foreign supplies/principal and service to the Bidder by the Indian Agent giving details of services available in India.
17. Signed and Scanned copies of valid **ISO and BS EN 15020957 CE(European) certifications from competent authority clearly showing validity date in respect of quoted item.**
18. The bidder must provide trainers (one male & one female/shift) for operationalization of gym as specified in the tender document.
19. The prospective Bidder may seek clarification about bidding documents during pre-bid meeting which shall be held on scheduled date and time as specified in the tender document.

ALL INDIA INSTITUTE OF MEDICAL SCIENCES, VIJAYPUR, JAMMU-184120**Schedule of Requirement****e-NIT for Setting up of Gym on a turnkey basis at AIIMS, Vijaypur, Jammu-184120 (J & K)**

1. The Quantities intimated in this Schedule of Requirement are an approximation of the estimated quantities needed as per the available space of gym at AIIMS, Vijaypur, Jammu.
2. The Actual Quantities may vary, on either side i.e. increase or decrease and the decision of the Executive Director & CEO, AIIMS, Vijaypur, Jammu which shall be final and binding to all parties.
3. Technically qualified bidders will give physical demonstration of all or certain gym item/equipment, if/as desired by the respective department/committee of AIIMS, for inspection and assess the quality standards as per the specifications of equipment detailed by AIIMS, Vijaypur, Jammu. In case of failure to give physical demo of item/equipment at AIIMS, Vijaypur, on desired date by AIIMS, Vijaypur, Jammu, it will automatically form the grounds for rejection of bid submitted by that bidder. The bidder shall bear the cost of such demonstration.
4. Selection shall be purely on a quality and demonstration basis.
5. The detailed list of equipment/accessories needed along with the specifications is attached hereunder as Annexure 1.

List of Requirement with Specifications

S.No.	Product Name	UoM	Minimum Specifications
1	Treadmill	2 nos.	1) Machine must be designed for running with heavy duty 5 HP motor or more with power Voltage range of 220v-240v/50HZ with electrical safety features 2) Should have low start up speed : 0.8 kmph or lesser 3) Should have incline increments of 1% or lesser 4) Low step height : 7" or lower 5) Speed Range : 0 - 18 kmh or more 6) Motorized Incline : -3 - 30% or more 7) Max User Weight : 180 Kgs or more 8) Feedback to user: LED/LCD console with feedback for Calories, Distance, Time, Speed, Calories per hour, Incline, Heart Rate/pulse 9) Product should have EN-957 or ASTM certification for stationary fitness equipment. 10) Running Surface/Belt : Minimum 1500 x 500 mm or more 11) Machine Weight : 250 kg or more 12) Machine Dimensions : 1750 x 100 x 1750 or more 13) Must have inbuilt cushioning system/shock absorption system 14) Programs: Atleast 10 including heart rate cruise control 15) Safety Features : Must have user presenece detection, pull type safety key stop system and more 16) Running Belt : Maintenance-free belts and reversible deck is required for both side usage of deck 17) Heavy gauge steel welded frame with proper hand rails with soft grips and hand sensors
2	Cross Trainer/Elliptical	2 nos.	1) Machine have core wheel design for heavy duty commercial use 2) Machine Weight : Atleast 150 kgs 3) Max User Weight: 181 kgs or more

			<p>4) Must have atleast 500 w of resistance</p> <p>5) Stride Length : Atleast 20" or more</p> <p>6) Should have atleast 10 pre programmed protocols with option for heart rate range control</p> <p>7) Feedback to user: LED/LCD console with feedback for Programs, Calories, Distance, Time, Speed, Calories per hour, Heart Rate/pulse</p> <p>8) Machine must be usable for total body, only upper body and only lower body</p> <p>9) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>10) USB Charging Port : Optional</p> <p>11) Heavy gauge steel welded frame with proper hand rails with soft grips and hand sensors</p> <p>12) 11) Machine Weight : 150 kg or more</p> <p>12) Machine Dimensions : 875 x 1700 or more</p> <p>13) Usable temperature range : 0-40 or more</p> <p>14) Must have Water Bottle Holder/Accessory Tray/placement rack.mobile holder</p> <p>15) Power Requirement : Self generating or minimal consumption for powering console</p>
3	Upright Bike	2 nos.	<p>1) Must have at least 2500w power range/resistance adjustable electromagnetically with $\pm 1\%$ accuracy</p> <p>2) Must have a touchscreen display programmed for time, distance, speed, calories, resistance level, workouts, tests, polar view, and more.</p> <p>3) Must have fore and aft adjustment for the seat and handle.</p> <p>4) Must have an auto-responsive gear change mechanism with 0-25% or more gradient change.</p> <p>5) Must have haptic feedback for manual gear shifters.</p> <p>6) Must have real-time analysis (at least 1000 times/sec) of at least 35 parameters.</p> <p>7) Machine Weight: At least 45 kg</p> <p>8) No of Gears: At least 20</p> <p>9) Must have Bluetooth, Ant+, FTMS connectivity, internet connectivity and more.</p> <p>10) Q factor: Max 160mm or lesser.</p> <p>11) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>12) Max user weight : 150 kg or more</p> <p>13) Machine Dimensions : 1400 x 650 x 1300 mm or more</p> <p>14) Pedals : Standard Dual sided pedals with removable toe cages</p> <p>15) Handlebars must have adjustment for resistance</p>
4	Rower	1 no.	<p>1. Belt driven technology with dual resistance (air and magnetic).</p> <p>2. Multi Grip Handlebar for imitating boat rowing movement.</p> <p>3. Contoured seats for more comfort.</p> <p>4. LCD Display.</p> <p>5. At least 10 resistance levels</p> <p>6. Must have adjustable foot strap with quick-release ratchet adjustment</p> <p>7. Console Feedback: Strokes per minute, watts, distance, time, calories and more.</p> <p>8. Atleast 55 kg machine weight</p> <p>9. Product should have EN 957 or ASTM certification for stationary fitness equipment.</p> <p>10) Magnetic resistance must be adjustable</p>

			<p>11) Machine Dimensions : 2300 x 600 x 1150 mm or more</p> <p>12) Max user weight : 150 kg or more</p> <p>13) Connectivity: Bluetooth & ANT+</p> <p>14) Programs : Atleast 6 or more</p> <p>15) Feedback to user: LED/LCD console with feedback for Programs, Calories, Distance, Time, Speed, watts, Heart Rate/pulse, strokes per minute</p> <p>16) Comfortable contoured seat : High-profile seat design 40 cm or more</p>
5	Recumbent Bike	1 no.	<p>1) Seat should be adjustable and back rest should also be independently reclineable.</p> <p>2) Resistance Levels- Should be at least 25 with range of Min 30 watts & Max 500 watts or more.</p> <p>3) Max. User Weight: 180 Kgs. or more.</p> <p>4) Telemetry: Hand Sensor and Chest belt compatibility.</p> <p>5) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p>
6	CABLE CROSSOVER MULTIUSE UNIT	1 no.	<p>1) Multi use unit with provision for atleast 6 people to work out at the same time</p> <p>2) Minimum 5 weight stacks each weighing atleast 100 kgs</p> <p>3) Machine composition should have dedicated bays for 3 cable towers and 1 lat pull down and low row</p> <p>4) Atleast 20 options for height and position adjustment on cable towers</p> <p>5) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p>
7	Chest press	1 no.	<p>1) Heavy duty 11 gauge structure with atleast 100 kg weight stack with incremental weight stack system of 2kg and 4 kg or more</p> <p>2) Must have double stitched upholstery for long life</p> <p>3) Must have a magnetic weight selection system</p> <p>4) Atleast 5 levels of gas assisted seat adjustment</p> <p>5) Weight stack tower must be fully covered</p> <p>6) Product should have EN 957 or ASTM certification for stationary fitness equipment</p> <p>7) Pulley System : Must operate on flat pulleys with kevlar belt for higher tensile strength and balanced weight distribution</p> <p>8) Must have rubber stabilizer feet designed for floor anchoring</p>
8	Seated Leg curl	1 no.	<p>1) Heavy duty 11 gauge structure with atleast 100 kg weight stack with incremental weight stack system of 2kg and 4 kg or more</p> <p>2) Must have double stitched upholstery for long life</p> <p>3) Must have a magnetic weight selection system</p> <p>4) Atleast 5 levels of start point adjustment and calf roller adjustment with spring release</p> <p>5) Weight stack tower must be fully covered</p> <p>6) Product should have EN 957 or ASTM certification for stationary fitness equipment</p> <p>7) Pulley System : Must operate on flat pulleys with kevlar belt for higher tensile strength and balanced weight distribution</p> <p>8) Must have rubber stabilizer feet designed for floor anchoring</p>
9	Leg extension	1 no.	<p>1) Heavy duty 11 gauge structure with atleast 100 kg weight stack with incremental weight stack system of 2kg and 4 kg or more</p> <p>2) Must have double stitched upholstery for long life</p> <p>3) Must have a magnetic weight selection system</p> <p>4) Atleast 5 levels of start point adjustment and calf roller adjustment with spring release</p> <p>5) Weight stack tower must be fully covered</p>

			<p>6) Product should have EN 957 or ASTM certification for stationary fitness equipment</p> <p>7) Pulley System : Must operate on flat pulleys with kevlar belt for higher tensile strength and balanced weight distribution</p> <p>8) Must have rubber stabilizer feet designed for floor anchoring</p>
10	Pec fly Rear Deltoid	1 no.	<p>1) Heavy duty 11 gauge structure with atleast 100 kg weight stack with incremental weight stack system of 2kg and 4 kg or more</p> <p>2) Must have double stitched upholstery for long life</p> <p>3) Must have a magnetic weight selection system</p> <p>4) Atleast 5 levels of gas assisted seat adjustment with spring release</p> <p>5) Weight stack tower must be fully covered</p> <p>6) Product should have EN 957 or ASTM certification for stationary fitness equipment</p> <p>7) Pulley System : Must operate on flat pulleys with kevlar belt for higher tensile strength and balanced weight distribution</p> <p>8) Must have rubber stabilizer feet designed for floor anchoring</p>
11	Shoulder press	1 no.	<p>1) Heavy duty 11 gauge structure with atleast 100 kg weight stack with incremental weight stack system of 2kg and 4 kg or more</p> <p>2) Must have double stitched upholstery for long life</p> <p>3) Must have a magnetic weight selection system</p> <p>4) Atleast 5 levels of gas assisted seat adjustment with spring release</p> <p>5) Weight stack tower must be fully covered</p> <p>6) Product should have EN 957 or ASTM certification for stationary fitness equipment</p> <p>7) Pulley System : Must operate on flat pulleys with kevlar belt for higher tensile strength and balanced weight distribution</p> <p>8) Must have rubber stabilizer feet designed for floor anchoring</p>
12	Leg Press	1 no.	<p>1. Must have adjustable Back rest.</p> <p>2. Must have Adjustable foot plates.</p> <p>3. Must Have atleast 4 Horns for storing weight plates.</p> <p>4. Antiskid Hand Grips on seat and Foot Plate.</p> <p>5. Machine weight : 235 kg or more.</p> <p>6. Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>7) Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p> <p>Upholstery: high density foam</p>
13	Smith machine	1 no.	<p>1) Should have adjustable handles that slide in and out for different grip widths.</p> <p>2) Should have self-spotting mechanism for concentric and eccentric movement.</p> <p>3) Bar should be counter balanced for standard Olympic weight.</p> <p>4) Should have brake handles for racking and unracking the bar.</p> <p>5) Bar should have 360° plane of motion.</p> <p>6) Frame should be made of heavy duty pipe.</p> <p>7) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>8) The weight of the machine should be minimum 770 lbs.</p> <p>9) Omni- directional: barbell to move in any direction allowing allowing vertical, horizontal, diagonal, lateral and rotational bar motion.</p> <p>10) Must have Quad-lock breaking system, immediately catches and stops the bar in any position.</p> <p>11) Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p>

14	4 Way Olympic Bench	1 no.	<p>1) Multiuse bench with incline, decline and flat and shoulder press options</p> <p>2) Easy slide option for seat adjustments</p> <p>3) Machine must weigh 100 kgs or more</p> <p>4) Must have inbuilt rod rack/safety latches for atleast 5 positions</p> <p>4) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>5) Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p> <p>Upholstery: high density foam</p> <p>Handgrips: Dipped PVC Handle</p>
15	Utility Stool	2 nos.	<p>1. Tripod frame design provides greater stability.</p> <p>2. Machine Weight: Minimum 20 kgs</p> <p>3. Machine mainframe should be built on stable bent pipe structure.</p> <p>4. Product should have EN 957 or ASTM certification for stationary fitness equipment.</p> <p>5. Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p> <p>Upholstery: high density foam</p> <p>Handgrips: Dipped PVC Handle</p>
16	Preacher Curl Bench	2 nos.	<p>1) Adjustable Seat Height.</p> <p>2) Seat angled at 45 for bicep curl.</p> <p>3) Machine must weigh atleast 40 kgs or more.</p> <p>4) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>5. Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p> <p>Upholstery: high density foam</p> <p>Handgrips: Dipped PVC Handle</p>
17	10 Pair Dumbbell Rack	2 nos.	<p>1) Angled for easy pick up and replacement of dumbbells.</p> <p>2) Atleast 2 tiers for multiple sets of round-style dumbbells</p> <p>3) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>4) Heavy duty 11 gauge structure</p>
18	Adjustable Bench	2 nos.	<p>1) Multiuse bench with incline, decline and flat options</p> <p>2) Must have atleast 5 levels of seat adjustment</p> <p>3) Machine must weigh 35 kgs or more</p> <p>4) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>5) Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p> <p>Upholstery: high density foam</p> <p>Handgrips: Dipped PVC Handle</p>
19	Abdominal Bench	1 no.	<p>1) Adjustable bench which can be used for ab crunch.</p> <p>2) Rollaway wheels for easy movement.</p> <p>3) Machine weight : 35 kg or more.</p> <p>4) Product should have EN-957 or ASTM certification for stationary fitness equipment / Any other standard guidelines.</p> <p>5) Heavy duty 11 gauge structure, Frame Finish: Two-coat powder process, electrostatically applied powder coat finish</p> <p>Upholstery: high density foam</p> <p>Handgrips: Dipped PVC Handle</p>
20	Flat bench	1 no.	<p>1) Tripod Style design for stability</p> <p>2) Hard foam seats for stable exercise positions</p>

			<p>3) Machine must weigh atleast 25 kgs or more</p> <p>4) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p> <p>5) Heavy duty 11 gauge structure</p>
21	Olympic rod set	1 no.	<p>1. ISPL grade 30 MM Round Bar</p> <p>2. Bearing type ends (not bushing)</p> <p>3. Dimensions - Diameter for inner rod - 1.1" & for ends - 2"</p> <p>4. Knurling on grip</p> <p>5) Set of rods - Power Bar (3), olympic bar (2) - 15kg, and (2) - 10 kg, bicep curl rod(1)</p>
22	Plate set	1 no.	<p>1) Premium Quality round rubber plates</p> <p>2) Must have tri grip</p> <p>3) 600 kgs of Rubber plates - 2.5kg x 8, 5kg x 8, 7.5kg x 6, 10kg x 6, 12.5kg x 6, 15kg x 6, 20kg x 6, 25kg x 6</p>
23	Dumbbell set	1 no.	<p>1) Premium Quality round rubber dumbbells</p> <p>2) Must have soft knurling</p> <p>3) 500 kgs - 2.5kg x 8, 5kg x 6, 7.5kg x 6, 10kg x 6, 12.5kg x 6, 15kg x 6, 20kg x 4, 25kg x 4</p>
24	Rod Stand	1 no.	<p>1) Should have provisions for holding atleast 9 rods at a time</p> <p>2) Structure should be powder coated.</p> <p>3) With minimum 16 gauge pipe to be use in total construction.</p> <p>4) Weight should be 16 kgs.</p> <p>5) Product should have EN-957 or ASTM certification for stationary fitness equipment.</p>
25	Plate tree	1 no.	<p>1) Low foot print area</p> <p>2) Atleast 8 weight holding horns with min. 1 tonne capacity</p> <p>3) Machine Weight: Minimum 50 kgs made with minimum 90 x 45 oval pipe of 3 mm thickness or more</p> <p>4) Product should have EN 957 or ASTM certification for stationary fitness equipment</p>
26	Accessories Kit	1 no.	<p>Commercial grade Kit should include :</p> <ul style="list-style-type: none"> - 1 Full set of Wall Balls : 1 each of - 4lbs, 8lbs, 6lbs, 10lbs, 12lbs, 16lbs, 20lbs, 24lbs, 30lbs - 1 Set of Gymnastic Wood Rings - 8ft - Agility Cones 6 inch - 6 - Agility Cones 15 inch - 6 - Agility Ladder 7 meters length - 1 - Resistance Bands 2 Set - 1 set contains each of L, M, H - Resistance Loops 1 set - 1 set containers each of L, M, H - Gym Balls 1 each : 65 cm, 75 cm - Yoga Mats 4mm - 10 nos - Balance Ball half Dome - Foam Roller - 4
27	Double Twister Machine	1 no.	<p>1. Features: Heavy Duty Commercial Equipment.</p> <p>2. Seating and standing design.</p> <p>3. Dimension (LxWxH): Atleast 1400 x 590 x 1150 mm.</p> <p>4. Material: High quality Steel</p> <p>5. Finish: Powder-coated Paint</p>
28	Seated Calf	1 no.	<p>1) Machine Weight: Min. 60 kgs.</p> <p>2) Kneepads should be adjustable.</p> <p>3) Product should have EN-957 or ASTM certification for stationary fitness equipment</p>
29	Functional	1 no.	<p>1) Should provide stretch to below mentioned muscle groups:</p>

	Training and Flexibility Equipment		lower back, hamstrings, gluteal/hips, hips/legs/back, inner thighs/groin, upper back, shoulders and quadriceps. 2) Instructional placard should clearly display how these stretches are to be performed 3) Product should have EN-957 or ASTM certification for stationary fitness equipment
30	Steps	4 nos.	Multi-textured surface provides targeted grip with cushioned comfort. Ribbed side panels deliver maximum traction on the outermost edges. Rubberised ground contact points prevent slipping and absorbs impact. Easy to clean, moisture resistant workout surface. Compact, lightweight and easy to move and store.
31	Mirrors	480 sq. ft.	Providing and fixing of 6 mm mirror with ss studs
32	Poster	320 sq. ft.	1) Printed Foam sheet display board (900mm x 1200mm). 2) Fixing of display boards with SS studs as per design and details. 3) Content of fitness posters to be approved prior to installation.
33	Towel Rack	1 no.	Floor standing rack for atleast 25 towels Multiple partitions for easy stacking Connected bin for soiled towel collection
34	First Aid Kit - Essential for any fitness facility.	2 no.	Portable Kit including atleast : 2 absorbent dressings 5 adhesive bandages (assorted sizes), 1 adhesive cloth tape 1 antibiotic ointment 2 packets of aspirin (81 mg each) 2 pair of nonlatex gloves (size: large) 1 gauze roll (roller) bandage 1 roller bandage (4 inches wide) 5 sterile gauze pads
35	Accessories Storage Rack	1 no.	1) Material - MS 2) Should be able to hold atleast 12 Yoga Mats (rolled), 3 Swiss Balls, 3 Medicine Balls and 3 Resistance Bands
36	Plybo Box Set	1 no.	6", 12", 18" & 24" (01 each) (Layered wood construction).
37	Wrist Curl	1 no.	1. Heavy load capacity sturdy frame. 2. A wide forearm rest pad allows a comfortable & effective workout 3. Powder coating finish 4. Rubber grip handles 5. AND WHEREAS it has been stipulated by you in the said contract that the supplier shall furnish you with a bank guarantee from nationalized bank for the sum specified therein as security for compliance with its obligations in accordance with the contract;

NOW THEREFORE we hereby affirm that we are guarantors and responsible to you, on behalf of the supplier, up to a total of. (Amount of the guarantee in words and figures), and we undertake to pay you, upon your first written demand declaring the supplier to be in default under the contract and without cavil or argument, any sum or sums within the limits of (amount of guarantee) as aforesaid, without your needing to prove or to show grounds or reasons for your demand or the sum specified therein.

We hereby waive the necessity of your demanding the said debt from the supplier before presenting us with the demand.

We further agree that no change or addition to or other of the terms of the contract to be performed there under or of any of the contract documents which may be made between you and the supplier shall in any way release us from any liability under this guarantee and we hereby waive notice of any such change, addition or modification.

This guarantee shall be valid up to 15 (fifteen) months from the date of satisfactory installation of the Equipment/Stores in the User Department at AIIMS Vijaypur, Jammu i.e. up to ----- (indicate date).
